**Albion's Amy Wakeland, '91, was one of 32 U.S. students chosen as 1993 Rhodes Scholars.**

She was selected from 1,275 applicants at 350 colleges. Albion is proud to be the only private college in the Midwest to have a 1993 Rhodes Scholar, and Wakeland is a fine example of the quality of our students.

Approximately 70% of Albion's students rank in the top quarter of their high school graduating class. More than 50 National Merit finalists have enrolled in the past two years, and there are 21 finalists in the incoming freshman class.

Our faculty are dedicated to teaching, and they have impressive credentials — 95% have the Ph.D. or the highest appropriate professional degree in their field.

As a church-related college, Albion provides students with many opportunities to assess their values and to put their convictions to work in community service.

## **“What is this 'Vision' Thing?”**

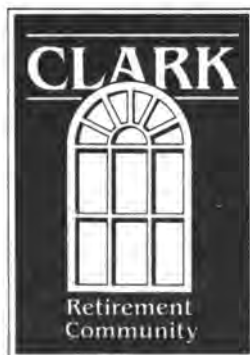

**“Embrace the Vision”** is the catch phrase for the Clark Community Campaign currently operating in the West Michigan Conference. We chose this phrase because at Clark we are doing far more than building a building. We are putting forth a vision of eldercare—as it should be—and making that vision a reality.

This “vision thing” is a philosophy that challenges time worn concepts about aging. That is why our new health center is designed to be a home instead of a hospital. It is a philosophy that embraces every aspect of life at Clark. Since 1906 Clark has been challenging and changing. We will continue to do this for years to come with your prayers and support.

Vision**

# ADRIAN COLLEGE

*Adrian College students raised funds for a leukemia victim during a chilly overnight teeter-totter-a-thon on the mall last fall.*

**Adrian College students and staff are volunteering at pace-setting rates, doing everything from raking leaves for the Lenawee Department on Aging to helping build houses for Habitat for Humanity. Adrian continues to provide a learning environment that stimulates individual growth as well as academic excellence. But Adrian also exposes students to the satisfactions that go along with caring and sharing. If you know a high school student who would make a good addition to our student body, call us at 1-800-877-2246. Adrian College has a lot of *advantages* to offer.**

# METHODIST CHILDREN'S HOME SOCIETY

*Where The Future Begins For Children  
With Special Needs*

**A Connectional Ministry Of The United Methodist Church  
West Michigan And Detroit Conferences**

Methodist Children's Home Society was founded in 1917 to serve children with special needs through a broad range of family focused services.

Methodist Children's Home Society provided services for more than 443 children and families last year.

- Social workers placed 26 children in adoptive homes through the Adoption program.
- The Foster Home program provided care for 134 children and worked with their birth families.
- The Single Parent Counseling program counseled 71 single parents.
- The Day Treatment program provided services to 107 children.
- The Children's Village Treatment program provided care for 105 children and their families.
- The summer reading and mathematics class provided remedial education for the children in our care to read and use mathematics.
- The summer activities of daily living class taught children in the Residential Treatment program basic living tools that will aid them in day-to-day living.
- The Tutoring program, a joint venture with the First United Methodist Church and McCulloch School in Jackson, helped students first through fourth grades improve their reading skills and develop self-confidence.

## V. DAILY PROCEEDINGS

### FIRST DAY - AFTERNOON SESSION TUESDAY, JUNE 15, 1993

Bishop Donald Ott called the One Hundred Fifty-eighth Session of the West Michigan Annual Conference to order at 4:10 P.M., celebrating 25 years of United Methodism. Bishop Ott preached the sermon, "Nurturing the Vision". The Bishop led the Conference through the Celebration of Holy Communion. The offering would be sent to Zimbabwe, designated for higher education of young adults at the Africa University.

### FIRST DAY - EVENING SESSION

Bishop Ott called the assembly to order for its evening business session at 7:00 p.m.

Representatives of the Districts presented gifts to Bishop Ott, indicative of each District. The Bishop expressed his gratitude and introduced his wife, Jan Ott. He also introduced the Assistant to the Bishop, Robert Horton, and John Hice, Secretary of the Conference.

Ms. Robin Woods, Chaplain of Albion College, brought greetings from the College. She introduced Mr. Melvin Vulgamore, President of Albion College. He welcomed the Conference to the college campus and announced various programs to be presented at the college in the near future.

Ms. Helen Manning, member of First United Methodist Church of Albion, welcomed the Conference.

The Bishop explained the symbolism of the candle and pitcher placed on the table in front of him. As he lit the candle, he explained the symbolism of the two items. The lit candle represented the Spirit of the Living Christ in the midst of the deliberations; and the pitcher was a way of reminding the Conference members of the Biblical tradition of the oil used for anointing and healing. The candle and the oil would be on the table during the Conference, symbolic reminder of the gifts God gives.

**Motion:** Mr. Steve Lett, representing the Rules of Order Committee, moved that the Rules of Order, as published on page 295 of the legislative materials, be adopted. They were adopted as printed.

Mr. Wayne Reece, Chairperson of the Conference Program Committee was introduced.

**Motion:** Mr. Reece moved that "the Program Agenda for the 1993 Session of the West Michigan Annual Conference be all that is printed in the Program Book and those additional changes that might be recommended through consultation of the Bishop, Chairpersons of the Annual Conference Program Committee and the Chairperson of the Committee on Reference." It was supported and carried.

**Motion:** Mr. Wayne Reece moved "that the designated voting area of this Session of the West Michigan Annual Conference be all pews on the floor level of Goodrich Chapel, excepting the two back pews, which shall be designated for non-voting members and/or visitors of the Conference. This motion also provides that the Chancel area is a voting area and that the persons in wheelchairs can sit in the back and also vote." It was supported and carried.

**Motion:** Ms. Lucy Morgan, Chairperson of the Conference Committee on Nominations, moved the nomination of Ms. Joan Kelsey as Conference Facilitator. She was elected.

**Motion:** Mr. Don Williams, Conference Lay Leader, presented the following motion: "On behalf of the Committee on Reference, I move that the Petitions and Recommendations, prepared for this annual Conference session and printed in the Legislative Materials and Response Petitions and Addenda, be referred to Legislative Committees 1 through 9. Assignment of specific items will follow the listing given on pages iii-vi in the booklet of Response Petitions. Since items 36 through 54 [Proposed Constitutional amendments from General Conference], by

rules of the General Church, can not be amended and must be voted on by the full Annual Conference session, they will be referred for an advisory vote and will not appear on the consent calendar."

**Motion:** David Nelson moved that "the Conference accept all reports in the Conference Journal, Vol. I." It passed.

Mr. John Hice, Secretary of the Conference, brought greetings and regrets from members of the Conference, and greetings from other United Methodist Church Conferences. Special greetings were received from the Detroit and Wisconsin Conferences.

A Statement of Reconciliation was presented by a Committee of Six, with an introduction by Mr. Don Williams.

"Our Conference is varied in how people experience our connection. Much of our life together is rich and hopeful, yet there is a spirit among us that is causing division and pain. Each of the six of us has experienced this.

"We have experienced deep and wounding conflict which has been especially obvious at annual conferences.

"We have felt hostility between different camps and have heard labels tossed out which were meant to discredit another.

"We have experienced stereotyping of others and have been stereotyped ourselves.

"We have experienced anger, distrust and devaluing of others and as we have experienced that towards others, we have also experienced it against ourselves.

"We are here before you this evening to name this spirit and confess our contributions to it. We have fed this selfish spirit by our attitudes and actions and to this date have not taken sufficient action to cast it out.

"We have contributed by stereotyping, labeling, avoiding and dismissing those who understand the gospel differently and who hold different beliefs than our own. This spirit has caused us to feel bad about our conference, our connection, each other and ourselves.

"We have grown weary of this and seek a fresh blowing of God's spirit among us.

"John Wesley put it this way 'in essentials unity, in non-essentials freedom, and in all things love.' Though we disagree over what constitutes these 'essentials', it is our intent, even in the midst of that struggle, to follow Wesley's imperative to do all things in love. We recognize that we as individuals and groups within our annual conference hold, with integrity, heart felt convictions, clearly in conflict.

"As the children of Wesley and indeed followers of Christ, it is our desire to repent of our non-loving responses to one another. We will treat each other with dignity, respect and love. We will deal with each other as whole people rather than symbols of positions. And we will continue the dialogue we have begun.

"With this statement we join with others who are making similar efforts.

"If your heart is the same as ours we offer you the right hand of fellowship."

With the singing of "They'll Know We Are Christians By Our Love", the Statement of Reconciliation was concluded with prayer by Bishop Ott.

Bishop Ott declared the Session in recess for the Lay Orientation and the Executive Session at 8:00 P.M.

Paul Jones brought the morning message: "The Hermit on the Hill", based on Ephesians 2:11-22.

Mr. Wayne Reece opened with several directions, indicating that only scheduled moments of personal privilege would be accepted, no new ones and requesting all those making presentations to keep to the time allotted them.

Ms. Plyna Strong reported on the progress of the Clark Home Capital Fund Drive, "Embrace the Vision". Twenty-five churches have reported in with a pledge of \$250,000, one quarter of the \$1,000,000 goal from the Conference Churches. She mentioned Mr. Fred Keller as an example of Christian stewardship.

The individual family goal is \$44 per family. Ms. Strong related a story from the "Residents the Kick-off among Clark Home residents. She was reading the list of contributors when one name popped out at her. Ms. Strong knew that person as a person with very little resources. She had given a five dollar bill. When the story was shared with Mr. Keller, Chairman of the Campaign and contributor of \$1,000,000 to the campaign, he reflected that the only difference between the two gifts was the monetary value, each gift being equivalent in the missionary purpose of Clark Home.

The program developed at Clark Home represented a new kind of elder care. The plan of elder care had dictated the architectural planning.

She encouraged each pastor and lay member to give their church family a chance to support "Embrace the Vision".

Mr. David Wiltse expressed thanks to Ms. Judy Coffey for her work in beautifying the sanctuary for the week.

Bishop Ott declared the 158th Session of the West Michigan Annual Conference to be closed just prior to the closing worship service, in which he spoke to the Conference and summarized some of the concerns many felt in coming to Conference and then described a "picture" from the Ordination Service. The table which had been set aside to make way for the Ordination Service needed to be moved back. Two marshals tried, couldn't move it back. Another was called, still not enough. Then a fourth. They carried it very heavily. It was heavy. Then it struck the Bishop -- it is a casket. They were carrying the Body of Christ. Then resurrection. We're not perfected yet, but there is resurrection.

The Conference was concluded at 5:20 p.m.

Bishop

## PART II - PERTAINING TO ORDAINED MINISTERS AND LOCAL PASTORS

## 17. Are all the ministerial members of the conference blameless in their life and official administration (paras. 704.4, 705.6)?

Bishop Ott, Sisters and Brothers, in this Executive Session in our history, I know the typical response to this question has been "Yes, to the best of our knowledge." But this has not been a typical year among us as a covenant community. As we are all so aware, we have known brokenness, we have known pain, and we are not blameless. So I come to this moment unwilling to answer in the traditional way. I pray that by God's grace, the things that divide us will not break us apart from one another, and the covenant relationship we share might be a reflection of the presence of God among us. It is my hope, it is my prayer, that we truly might be blameless in our life and official administration.

**Correction of the 1992 Conference Journal.** Joyce N. Hanlon was consecrated Diaconal Minister 6-11-92, and should have been entered on Question #59, page 72, of the 1992 West Michigan Conference Journal.

**Correction of the 1992 Conference Journal.** The 1992 Journal West Michigan Annual Conference omitted special grant information which was supposed to have been included in Disciplinary Question 75. The following reflects the omitted information:

"The pension rate of \$305 per service year for 1993 is an increase of 4.1% over the \$293 rate for 1992. It is proposed that the same rate of increase be used for those receiving special pension grants from the Conference. The new grants, effective July 1, 1992 would be:

Lloyd C. Bronson in the fixed amount of \$145.48 per month.  
 J. Raymond Gillham in the fixed amount of \$135.59 per month.  
 Russell R. Hoover in the amount of 10.5 years of service times the current annuity rate.  
 Robert H. Moore in the amount of 85% of 19 years of service times the current annuity rate."

**1994 Special Grants:** The pension rate of \$319 per service year for 1994 is an increase of 4.6% over the \$305 rate for 1993. It is proposed that the same rate of increase be used for those receiving special pension grants from the Conference. The new grants, effective July 1, 1993, would be:

Lloyd C. Bronson in the fixed amount of \$152.17 per month.  
 J. Raymond Gillham in the fixed amount \$141.83 per month.  
 Russell R. Hoover in the amount of 10.5 years of service times the current annuity rate.  
 Robert H. Moore in the amount of 85% of 19 years of service times the current annuity rate.

**Special Grants History**

**Lloyd C. Bronson** - General Board of Pensions has no service record for him. Action of Conference Board on April 22, 1985 was to "...grant Lloyd Bronson \$1200 per year in light of his 17 years of service."

**J. Raymond Gillham** - Served from 6/28/42 to 6/15/63 and then took a year of sabbatical leave. He then was on Leave of Absence for 3 years and withdrew from service on 6/17/67. Action of Conference Board of Pensions on December 10, 1984 was to "...approve him for receiving pensions checks for twenty-two years of service at the 1964 level according to the rules in force as of 1964."

**Russell R. Hoover** - Served with pension credit from 6/15/52 to 5/31/62 followed by another year without pension credit. Apparently served with the United Church of Christ at some point because the Conference Board of Pensions Minutes of April 22, 1985 instruct the Secretary "...to confer with Ben Hang (GBP) concerning the rate Hoover should receive in light of his service with the United Church of Christ." The Disciplinary Questions for June, 1985 set the special grant "...in the amount of 10.5 years of service times the current Annuity rate."

**Robert H. Moore** - June, 1976 Conference Minutes include the following action in the Disciplinary Questions: "The Board of Pensions moves that a grant from pension funds be authorized to provide annuity payments to Robert Moore under provisions of the General Board of Pensions Manual Paragraph 172.B; and that the rate be established in accordance with the 1972 *Discipline* paragraph 1259.14, which would provide 85% of the regularly established annual annuity rate, with no supplemental benefits."

80. Where shall the next Conference Session be held (para. 703.3)?

Albion College, Albion, Michigan

## VIII. REPORTS

## A. 1992 STATISTICIAN'S REPORT

Bishop Ott and members of the conference, I regret that my report this year is not quite as good as last year. But neither is it all gloom and doom. The Statistician's Table I figures are found on pages 91-117 in Volume I of the Conference Journal. I will focus on the summary on page 116-117.

Most of you have already noted on line 9 that we more than doubled the number of members lost over last year. I remind you that one year does not make a trend, that statistics about people tend to be very volatile. In fact, when averaged over our total history as a United Methodist Conference, we actually reduced our rate of loss. We also reduced the rate of loss when calculated only over the last five years. Keep in mind that we had several years with losses well over 2,000 members per year.

We again increased attendance in worship, as you can see on line 10. This makes four consecutive years. Not only did we increase the total number of people, but each year we have also increased the number of congregations with increased attendance.

Note the increased number of people in confirmation classes (line 14), and increased membership in church school in every age category (lines 16-19). This is the second year for Church School Membership increases. Are these early signs of a gradual turn-around in Christian Education? I might be more confident if Church School Attendance (line 20) were also increasing.

United Methodist Men continue to grow in membership (line 24), and this year spent more on projects than at any time since we began reporting UMYF statistics. I am concerned however, about United Methodist Women. And, ladies, please don't shoot the messenger. I know very well how important United Methodist Women are to the church. It is because we want UMW to continue to be an essential part of the church that I call your attention to a disturbing trend in line 26. Over the last ten years UMW has lost nearly 3,000 members. There have been membership losses each year since 1987, and the rate of loss is increasing rapidly. On a more positive note, however, UMW continues to increase its giving. To observe that fact, you need to look at both line 27 from Table I and line 75 from Table II. When you add these numbers and compare them with 1st year, it does represent an effort worthy of special notice.

Value of property and other assets continues to increase. Local Church indebtedness for property went up again after a slight decrease last year. And, finally, note the dramatic reduction of indebtedness for other purposes. We haven't seen that big a change since 1986.

I hope these insights have been helpful. If you have questions or wish to see the documents I have used to make my analysis, I will be glad to share them with you. I also continue to offer my services to assist any individual, any congregation, any conference or district officer, board, committee or agency that may have need for any of the statistics we have available.

Bishop Ott, with these highlights, I move the acceptance of the Statistician's Report and its printing in the Conference Journal.

David Litchfield, Conference Statistician

## B. MICHIGAN AREA MERGER EXPLORATION COMMITTEE REPORT TO THE ANNUAL CONFERENCE, JUNE 1993

This is our second annual report to the Detroit and West Michigan Annual Conferences. The committee continues to be in an exploration and "hearing" phase of our work. We have arrived at no conclusions and are not yet ready to make any recommendations. It is our intention to bring you a recommendation next year.

From the questionnaires filled out last June by members of the annual conferences, we have learned of some of the concerns and fears which you hold; such as: where could the larger annual conference session be held; there would be more distance of the conference from local congregations and especially congregations on the margins of the geographic boundaries and we might be moving away from urban areas such as Detroit and Grand Rapids.

The same questionnaire evidenced hopes with considerable strength in areas of: economic advantage; better relationship between east and west within our state; and gaining from each other's strengths.

During this past year, the committee held 17 "hearings." Each of the 13 districts were involved. These "hearings" provided input for the committee. Through the "hearings" and correspondence we have been encouraged to "get on with it" (merger), and also to "disband" as a committee and discontinue the exploration. Some have provided helpful insights for further consideration. Others were disappointed that a detailed plan was not available at the "hearings."

The committee has been exploring what the two conferences are already doing jointly, and is giving some thought as to how further cooperative ventures might be carried out. The committee has consulted with leaders of the Boards of Ordained Ministry, and has received further data from the Boards of Pensions. At our last meeting in May, the committee listened and dialogued with the program staff people from both conferences as well as the presidents of United Methodist Women and the Conference Lay Leaders from both conferences. These meetings and dialogues with various leaders from across the conferences have been helpful to the committee in its understanding of the task which has been entrusted to us.

Finances will be a matter of significance as any possible merger is explored. Each conference has relative strength, although each handles their finances differently. West Michigan has a high percentage of payment on apportionments, while Detroit has larger financial reserves. Both conferences have all of their past liability in clergy pensions funded. Detroit has larger reserves with the Board of Pensions. Salaries of clergy serving congregations are comparable, but have a slight tendency to be higher in the Detroit Conference. Both conferences have a comparable health insurance program.

A request from one congregation in the Upper Peninsula to investigate the advantages and disadvantages of an "Upper Peninsula connection with the Wisconsin Conference" was referred by the Detroit Conference to our committee. We polled all the clergy and each administrative board/council in the Upper Peninsula. These responses are being reviewed. Of those responding, one-third of the pastors favored exploration of uniting with Wisconsin. One-half of the ad board councils favored such exploration. Since the committee has not made any decision regarding the possibility of merging the two conferences, no further action is contemplated on the matter regarding the "Upper Peninsula connection to Wisconsin." If eventually the recommendation is for the two conferences to consider merging then it will be an appropriate time to consider this issue. If the recommendation is not to proceed with merger, then it appears to the committee this is an issue and concern which must be addressed within the Detroit Conference itself.

As the committee moves through the next 12 months we will be meeting with additional leaders of the two conferences. At this point in time we have not received significant input that would push us toward merger. Neither have we received significant input which would deter that action. We continue to be open for receiving insight and wisdom from all persons that will enable us to fulfill the commission given to us, namely "to

explore whether merger of the Detroit and the West Michigan Conference is the best way for Michigan United Methodists to be in ministry."

Robert Horton, Area Assistant to the Bishop

### C. DISTRICT SUPERINTENDENT'S REPORT

Twenty-five years ago, we selected the cross and the flame to symbolize the new church which emerged from the union of Evangelical United Brethren and Methodist Churches. Let us reflect upon the prophetic power of this symbol and upon the state of United Methodism in West Michigan.

Historically, the cross is an instrument of torture and death, a crude, tree-like structure upon which victims died, slowly and painfully. It is certainly, as George Bennard aptly named it, "the emblem of suffering and shame."

This emblem of the cross expressed the pain of our contemporary lives. Our struggles with human sexuality now tear us apart with crucifying agony. The realities of sexual misconduct are devastating, destructive, divisive. We lament the pain brought to victims. We are saddened by the brokenness which sexual misconduct brings into their lives. We struggle to help bring healing and wholeness to those whose lives have been violated by sexual misconduct.

We acknowledge, too, that the lives of perpetrators are also broken through misconduct and that that brokenness spreads to encompass families and churches as well. We are engaged in a great struggle with our sexuality.

We continue to struggle with issues of inclusiveness. Tension, divisiveness, and pain characterize the dialectic between those of us who affirm the position of reconciling congregations on the one hands and those of us who affirm the stance of transforming congregations on the other. We are engaged in an ongoing dialogue in our efforts to be a fully inclusive church open to all people without regard to gender, color, lay/clergy, theology, age, or sexual orientation.

Sexual misconduct and issues of inclusiveness are clearly two aspects of our lives together which are symbolized by the cross and suggestive of the pain and shame of crucifixion.

Let us be quick to assert, however, that this cross is an empty cross, symbolic of our Risen Christ. The paradox and power of the Christian understanding of the nature and structure of our human existence are such that we are called to proclaim Christ crucified and resurrected.

So, what about the cross, "so despised by the world, so stained with blood," what shall we say of its "shame and reproach"?

Romans 6:3-11 (NRSV):

*"Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? Therefore we have been buried with him by baptism into death, so that, just as Christ was raised from the dead by the glory of the Father, so we too might walk in newness of life. For if we have been united with him in a death like his, we will certainly be united with him in a resurrection like his. We know that our old self was crucified with him so that the body of sin might be destroyed, and we might no longer be enslaved to sin. For whoever has died is freed from sin. But if we have died with Christ, we believe that we will also live with him. We know that Christ, being raised from the dead, will never die again; death no longer has dominion over him. The death he died, he died to sin, once for all; but the life he lives, he lives to God. So you also must consider yourselves dead to sin and alive to God in Christ Jesus."*

*With Paul, (Romans 8:18-25): "I consider that the sufferings of this present time are not worth comparing with the glory about to be revealed to us. For the creation waits with eager longing for the revealing of the children of God: for the creation was subjected to futility, not of its own will*

*but by the will of the one who suggested it, in hope that the creation itself will be set free from its bondage to decay and will obtain the freedom of the glory of the children of God. We know that the whole creation has been groaning in labor pains until now; and not only the creation, but we ourselves, who have the first fruits of the Spirit, groan inwardly while we wait for adoption, the redemption of our bodies. For in hope we were saved. Now hope that is seen is not hope. For who hopes for what is seen? But if we hope for what we do not see, we wait for it with patience."*

We do, indeed, then, remain hopeful about the future of our church. We are hopeful because of Christ. We are hopeful because we believe that God is making all things new -- even our United Methodist Church. This newness is symbolized by the flame of Pentecost which comes as fire to cleanse, to refine, and to create anew the Body of Christ.

We welcome Bishop Ott to the Michigan area and celebrate his presence as a sign of the newness which God is bringing to us. We are proud to have Sharon Rader elected to the office of bishop. We are grateful, thankful, and appreciative of the wonderful ministry of Bob Horton. We are pleased to affirm Molly Turner's appointment as Bob's successor and to welcome Charles Garrod and Lynn Grimes to our Cabinet since the last gathering of our Annual Conference. We also acknowledge with deep appreciation the service of Virginia Kelly to the Michigan Area and welcome her successor, Shirley Tingle, as Secretary to our Bishop.

We are continuing to renew our appointment-making procedures. (Ed Perkins, Paul Hartman, and Lynn Grimes serve on a Cabinet committee to work with Bishop Ott in refining the process.) We shall continue to consider all of the following elements in the appointment process:

- The mission of the Church of Jesus Christ.
- The mission and needs of the local church or agencies/place of ministry as profiled by congregational/agency and superintendent; including theological stance.
- Compatibility with the call, gifts, grace and skills of the pastor.
- The mission and needs of the Annual Conference.
- The needs of the pastor's family, including such things as health, spouse employment, educational issues, support systems, cultural factors, monetary needs, etc.
- Congruence with evaluated effectiveness of the pastor in the areas of leadership development, pastoral ministries, administration, connectional support.
- The desirability of increasing the average length of pastoral appointments in any particular place.
- The commitment of The United Methodist Church to appointments without regard to race, ethnic origin, gender, age or physically challenging conditions.
- Pastoral compensation.

We encourage our Local Churches to raise up effective pastors. We need Christ-centered, Spirit-filled, enthusiastic, and energetic pastors and these pastors will come from our churches. In light of anticipated future retirements, we shall need new pastors. We ask you to pray for, encourage, support, and nurture the best and brightest of your congregations to service in ordained ministry.

Our hope for a new Pentecost is borne out of our affirmation that -- even in the midst of tension and the pain of division and brokenness, the Holy Spirit is present in wonderfully mysterious ways.

*John 3:5-8 "Jesus answered, 'Very truly, I tell you, no one can enter the kingdom of God without being born of water and Spirit. What is born of the flesh is flesh, and what is born of the Spirit is spirit. Do not be astonished that I said to you, "You must be born from above." The wind blows where it chooses, and you hear the sound of it, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit.'"*

We remain hope-filled and optimistic about the Church. It is in the Cross, it is through the crucifixion of Christ, that we are raised to newness of life. It is through the flame of Pentecost, through the power of the Holy Spirit that we are sustained in hope and made new.

Let me close with an old prayer for our church:

O God our Father, we pray for thy Church, which is set today amid the perplexities of a changing order, and face to face with new tasks. Baptize her afresh in the life-giving spirit of Jesus! Bestow upon her a great responsiveness to duty, a swifter compassion with suffering, and an utter loyalty to the will of God. Help her to proclaim boldly the coming of the kingdom of God. Put upon her lips the ancient Gospel of her Lord. Fill her with the prophets' scorn of tyranny, and with a Christlike tenderness for the heavy-laden and downtrodden. Bid her cease from seeking her own life, lest she lose it. Make her valiant to give up her life to humanity, that, like her crucified Lord, she may mount by the path of the cross to a higher glory; through the same Jesus Christ our Lord. Amen.

## D. TREASURER'S REPORT

As you read through Volume I of the Annual Conference Journal before coming to this meeting, I am certain that you gave special attention to the auditors' report of our financial condition on pages 61-83. That report reflects in a positive way on the faithfulness of our membership as it responds to opportunities to be in ministry within the conference and throughout the world.

Giving by local churches continues to increase at a rate higher than the cost-of-living. Per member giving in 1992 was \$534.50, which was an increase of 7.83% over the \$495.70 given in 1991. Just 10 years ago in 1983, per member giving was \$294.85! Let us rejoice in what God has enabled us to accomplish during the past decade.

The one cautionary "flag" which must be raised is that we need to continually recognize that ours is a global ministry. 7.92% of our giving in 1985 was for programs outside the West Michigan Conference area. Last year this figure was down to 7.19%. As new opportunities for ministry open in Asia and other parts of the world, we must provide our members with a means by which to respond. The 600 food boxes which were packed and sent to Russia by our congregations in 1992 clearly shows their willingness to be in mission beyond our own localities.

Now, let me direct your attention to some of the specifics of the audited financial statements.

**OUTSTANDING LOANS** - Paragraph 4 of the auditors' opinion and Note 10 to the financial statements refer to an error in the reporting of outstanding loans made by the conference. Since our records are maintained on a cash basis of accounting, this really reflects a "we've never done it that way before" presentation of the amounts which have been loaned to local churches by the Board of Global Ministries. In the past we have reported the cash available for lending, but we are now requested to also report the amount of loans made and outstanding at year end. In order to restate the January 1, 1992 balance to reflect these loans, the auditors added \$1,157,501 to our 1991 year end balances. The Council on Finance and Administration supports this new presentation as it more accurately reflects the financial position of the conference. Please, don't try to find ways to spend this extra million dollars! It is already at work in the building programs of 41 churches within the conference. Another 15 churches completed repayment of their loans during the past year.

**HEALTH CARE** - Last year we reported that our health care account was in a precarious position. Legislation was passed which ended our self-insured program and moved us into a more conventional premium based program with Blue Cross/Blue Shield of Michigan. This change has not been without its problems. We are still having some difficulty in getting claims processed properly.

However, there have been some good results from the change. For instance, we were able to recover \$23,249 in claims which had been overpaid by our previous carrier. We also found that they had been making reimbursements at rates above the approved policy for some medical costs. Most importantly, we have been able to finalize all payments due under the self-insured program and completely repay the \$200,000 loan which we had taken from our

pension funds in 1991. All of this has been accomplished without increasing the health care premiums paid by local churches in 1 • 2.

Last year General Conference mandated that all conferences participate in a denomination-wide health care program, UMCare, beginning January 1, 1994. West Michigan conference joined with the Detroit conference, several other conferences and the General Council on Finance and Administration to challenge the legality of the program. In October the Judicial Council ruled the plan unconstitutional as presented because it provided for unauthorized delegation of legislative authority. A revised form of the plan will probably be presented to the General Conference in 1996.

**CONTINGENCY FUNDS** - Even though we did not have a deficit reduction item in our 1992 budget, we were able to reduce our deficit by \$7,173 during 1992 and hope to clear the remaining deficit of \$79,060 this year. The deficit reduction was accomplished by holding the line on programmatic expenditures and reducing staff time. A rather unique method of reducing expenditures was to have one of our district superintendents elected to the episcopacy. Since replacement could not be done immediately, there was a savings of one month's salary. However, Rev. Garrod, who had to do four months of charge conferences in three months, is not recommending this as an ongoing feature of our budget process!

**CAPITAL CAMPAIGNS** - The *Give One to Grow* campaign to establish new churches officially concludes this month. You will receive a report on this program later in the conference. Even though the program ends, we will continue to receive gifts for the campaign. If your church has not yet completed the payment of its pledge, please continue to send funds as they are received.

Next month is the official beginning of the local church portion of the capital campaign for Clark Retirement Community. Plynna Strong will give you an update on this project tomorrow morning. If you haven't seen Clark in the last two years, you'd better stop around. You'll never recognize the place with its new entrance, new Towne Homes and soon-to-be new nursing care facilities.

**APPORTIONMENT RECEIPTS** - We received apportionment payments at 91.0% in 1992 which was 0.3% better than in the previous year. This marks a reversal in the declining trend which has been in effect since 1989. We are hoping for an even better result in 1993 as the over all economy seems to be improving. The Council on Finance and Administration has attempted to increase programming without increasing the budget for 1994. This has been possible because of a \$172,000 reduction in the apportionment for health care made available because of the new program which we entered last July.

**LEGISLATIVE MATTERS** - There are no major changes in financial procedures being proposed by the Council on Finance and Administration this year. There is a slight increase proposed in the apportionment for Youth and Camping Ministries which matches the 5% being made available for other programs through the proposed budget.

The only other major financial items coming before this session of conference concern:

1. the renewal of the agreement with Adrian and Albion Colleges relating to the governance of the endowment fund and the area loan fund, and
2. two proposals for change in the method used to determine local church apportionments.

The treasury staff wish to thank each of you for your part in making the financial program of our conference work. You contribute many hours of service to see that funds are properly identified and forwarded to us for use in the ministry of this area and beyond our borders. Thank you for making our work easy!

Richard Vreeland, Conference Treasurer

## E. CAMPING ENDOWMENT CAMPAIGN REPORT

Members of the Annual Conference, Bishop Ott, Dr. Horton, guests: A song that is often sung in our camps, captures the spirit of hope, with which we bring this report. Lannea Russell will sing it once through for you, and then, please join her in singing it together.

(SONG: "New Every Morning")

Our report today is the result of a kind of odyssey, beginning perhaps as early as 1965, three years even before merger. A committee composed of representatives from our two predecessor churches conducted a study of the existing camping programs of the two churches, and projected the future use of seven EUB and Methodist camps. They prepared an 81-page report, "Design for Ministry Through Camping," and within it, was a 1968 Master Plan for our conference-owned camps, plus recommendations for Lake Louise camp. Nearly \$750,000 in priorities were named--deemed necessary for the upkeep and improvement of our camps. Our leaders then lowered the price tag to \$363,600. So, twenty-five years ago, the proposed improvements totaled one-third of a million dollars to provide the kind of facilities needed for outdoor ministries. Their conclusions were a signal to all who have concerns about camping ministry. Clearly, there was a need to repair and replace our facilities, to see into the future and dream of expansion and improvements, and always to keep the cost of Christian camping within reach for all.

With gratitude for this study and others, your current Board of Christian Camping proposes a three-year campaign for our local churches, 1995-1998, to raise endowment funds so that the long-term health of Christian Camping in West Michigan may be insured. As we do this, we pause to give thanks for those who had vision, long before some of today's campers were born: to list them all would be impossible, but recognition should be given to Don Strong, Dave Crawford, and Stanley Forkner, who led this effort in the late 1960's. To paraphrase Sir Isaac Newton, "if we see the need today, it's only because we stand on the shoulders of giants." Jane Marshall's hymn comes to mind: "Give thanks for the past, for those who had vision, who planted and watered so dreams could come true."

The odyssey continued, and more "giants" appeared to lead us. In 1990, our Board conducted a long range study, and concluded, once again, that our camps, and our programming, needed attention. One who was involved in the 1990 study, is one such giant. She has not only provided vision, but has been there over 20 years as a leader for our young people; a counselor, registrar, tutor of inexperienced camp deans, friend of camping for over 20 years, Doris Brink:

### Speaker #1: Doris Brink

"As Bill said, I've been to a few camps in my day. I've seen the kind of spirit present when people gather at the fire bowl for singing, for prayer, for sharing the Word. Something happens in these moments that doesn't happen anywhere else. The experience is holy...maybe the only holy times that some of these people have ever known. Maybe they are introduced to the love of God in such a way that they will never forget it. I've seen that happen. When I think back on these times, I marvel at the vision of our predecessors, to build places like these where the Holy Spirit can dwell. Places where decisions are made for Christ, where life-long commitments to Christian service begin. I'm grateful to those who came before us. And I see this campaign as a chance for me to do something that will help insure this same experience for generations to come. What a wonderful opportunity to give thanks for "the steadfast love of God, whose mercies never come to an end..."

(SONG "New Every Morning")

Those who had vision did, indeed, plant and water for us. Now there are reasons to think that conditions are favorable for a conference-wide effort that will carry West Michigan camping well into the next millennium.

Contemporary American campers are demanding variety and quality in facilities. Life situations are more varied today. State requirements have increased, the standards are rising. The word is change. And with the change, our camps face a stark reality: Either we adjust, or we will find our facilities used less and less. As that great theologian Casey Stengel said, "The future just ain't what it used to be."

Our campaign has to do with the need to adjust our thinking and our planning for Christian Camping. In the midst of rapid change all around us, people need some constants.

One of these is the chance to live in community with one another. The scriptural lesson of interdependence, from Genesis to Revelation, reminds us that we have our identity in covenant.

Christian Camping alone, will not transform the human race into a caring community. But listen to one of our young people tell it: Christian camping can be an instrument for the purpose of creation, which is covenant with God and with one another.....LANNEA...

### Speaker #2: LANNEA RUSSELL

"When I go to camp, I meet people who care about me. They didn't even know me before camp, but after the first or second day, it doesn't even matter. To me, camping is people. But the people need a place to be together in God's outdoors, to remember that we are part of God's creation, that we are partners with God in caring for his world, and partners with each other as we learn to get along, and become brothers and sisters in Christ. I'm thankful that we have campgrounds where we can grow in our friendships with other Christians. I know that the friendships I am making today will be with me in the future as well. Years ago, some people started building for us today, and we can do the same for the generations to come. We can trust that the steadfast love of God will continue to be new every morning."

### (SONG "New Every Morning")

Nearly everyone here knows something about the benefits of camping. So let's ask the harder question:

Why do we need an endowment fund? It's a question of stewardship, and the answer has two parts:

(1) First, why have we suggested that 80% of our goal be for an endowment fund? Simply put, capital funds would soon be exhausted, spent for current projects. But Endowment dollars that generate annual income, will address future needs not yet anticipated. We own five campgrounds, and send hundreds of Senior High youth to a sixth one-Lake Louise. While we can not know what their needs will be in 10, 20, or 30 years, we can be sure that there will be needs.

Some of our buildings have served camping for over 100 years. If we want to keep them, we must pay for their repair and renovation. If we choose to replace them, how shall we do it? The answer is an endowment fund that keeps pace with inflation, and meets our emerging concerns as they arise. In 1968 the needs totaled \$363,600.00. In today's dollars, that's \$1,338,800! Consider that we've had 25 years of deterioration on many of the buildings we currently use. Therefore, 20% of our campaign proceeds, of one-million dollars will be used as soon as it's available. This is the second tier of our campaign. But our endowment fund, administered by the United Methodist Foundation, will address emerging trends in camping, year after year, and will move us beyond the "fix-it-only-after-it-breaks" mode that we are now in.

Another reason for an endowment fund is the change in programming. Short-term retreats, small group and family camping are clearly in the highest demand today. They were predicted in 1970, but our structures have largely determined what we can do. In his camping article in the 25th Anniversary issue of the Michigan Christian Advocate, Dave Crawford asked the precise question: "Does property follow program, or does reality require program to fit the property?" The face of camping is changing. Contemporary campers ask for more creature comforts than their parents. Demand for motel-style accommodations for some events, and the rise in use of recreational vehicles, are signs of the times. Without passing judgment on these choices, we must face the facts. Christian camping must find a moderate way to accommodate the desires of the forty-five and under, if we expect them to camp in our facilities. Otherwise, they will stay in other campgrounds and may not receive the Christian programming that our church environment can offer. Recreational facilities are in high demand among baby-boomers and their children, but where are the sports facilities in our camping program? We need to broaden our program to include the emerging needs of all age-groups, from one- or two-family retreats, to local church planning retreats, to youth group spiritual life retreats, two work-camps, to retreats for retired persons, to Confirmation Camps, to camps for people with special needs, to athletic camps.

Thirdly, Endowment funds will help control the cost of camping. The typical camp fee for one week this summer will be \$160.00. While this is in line with other conferences in our jurisdiction, the cost is prohibitive to many. As a church committed to inclusiveness and

diversity, we must increase scholarship support so that anyone who wants to go to camp, can. Everyone should have opportunities like Keith Cain, our Conference Youth Council President:

**Speaker #3: KEITH CAIN**

"I've gone to a United Methodist Camp every summer since . . . Some summers I've gone to more than one. I've also been involved in school and extra-curricular activities. I've seen the difference between the kind of experience my church provides, and the kind that is available outside the church. There's no doubt in my mind that we have a unique opportunity that is not available to young people in the other activities they're involved in. When you go to church camp, it doesn't matter how much income your family has, or what color your skin is, or whether you are popular at your school. What matters is that you feel part of the family of God. You have brothers and sisters in Christ, and this relationship reaches beyond all the differences there may be. We are able to put all that aside in camp, and focus on the things that we have in common. But more important than anything else, is that in Christian camping, we are offered the chance to accept Christ as our Lord and Savior. Camp is where this happened to me. And I know from my involvement in the Conference Youth Council, the Conference Council on Ministries, and through the friendships I now have with pastoral and lay leaders, that many of them also accepted Christ while they were at camp. If the future is anything like the past, the leaders of our church tomorrow could very well be some of the young people who go to camp this summer, or the next, or the next. The point is, United Methodist Camps are one way to insure that we keep planting seeds for church leadership in the future. I know that wherever I go, I will be thankful that camping has helped me increase my faith, and grow in my love for the church. This endowment campaign will make it possible for a lot of other young people in the future to come to know God as I have."

Maintenance of current property, development of new facilities and new programming, and the provision of scholarship funds for all campers----these are the reasons for an endowment fund.

(2) Now, why is the campaign goal set at \$5 million? The long answer is in the "Case Study" document which members of the Conference received. We need \$4 million to generate \$125,000.00 annually, and to allow the corpus to keep pace with inflation. The additional one-time capital outlay of \$1 million for immediate needs, will give us a jump-start toward rebuilding our camps. Frankly, our goal has grown over the last 30 months, from \$2 million, to \$3 1/2 million, to our current goal of \$5 million. Everyone can guess the reason for raising our sights: Interest rates have dropped severely, and we need \$4 million today to generate the same \$125,000 that \$2 million would have generated two years ago. What will we do if our income exceeds \$125,000 per year? Notice that our case study suggests at least that amount in needs each year. We'll just dream more, provide more scholarships, and fix more deteriorating property. \$125,000 is a minimum.

Some have asked if we intend to eliminate our apportionment asking from the local churches. The answer is an emphatic, "no." With 2000 to 3000 persons in camp each summer, camping is a grass-roots program, maybe more than any other local church ministries. It makes good sense to keep that connection intact, with the intentional, broad-based apportionments support.

So here we are. We have a chance to make a significant contribution to the health of Christian Camping in our state, one that will last long after many of us are gone.

Imagine what the world will be like in fifty years. How will our people do Christian education outdoors? How will they do evangelism? How will the Lordship of Jesus Christ be offered to the young and old? How will the need to find solace in a safe place away from home be met? How will campers from all races, all economic levels, all kinds of life-situations meet brothers and sisters in Christ, in the variety of settings made possible in the outdoors? How will they? By the step we take this week, in faith. With conference approval of our program, our Director/managers and their committees will start making lists that we will share with you next spring. We already know some of our urgent needs. We know there will be many to add.

We urge the Conference to remember the God whose "steadfast love never ceases; whose mercies never come to an end." Like interest in an endowment fund, "they are new every morning!"

Bill Johnson, Chairperson, Board of Christian Camping

We recommend that the amount of \$5,866,929 be apportioned to the churches; and that, of the World Service and Conference Benevolences apportionment, 28.9% be distributed to World Service and Mission Initiatives, 67.4% be distributed to Annual Conference Benevolences and 3.7% be distributed to the WS/CB Contingency Fund.

**Item #2-A**

**SUBJECT:** Local Church. Conference voted concurrence with amendment.

1. All churches shall submit if at all possible payments on apportionments and other giving to the Conference Treasurer on a monthly basis.
2. All contributions, apportioned or unapportioned, for Michigan Area agencies and institutions, and for all benevolent causes of The United Methodist Church, shall be sent to the Conference Treasurer for distribution.
3. Every church shall assume responsibility for adequate travel allowance for its pastor or pastors in its annual budget. Following are further guidelines which may help a local church administer its travel allowance for pastors:
  - a. Each pastor shall keep an accurate record of the number of miles traveled on church business.
  - b. The payment for mileage driven in 1994 is recommended to be by voucher at the maximum rate allowed by the Internal Revenue Service. Other travel expenses, including room and board at Annual Conference up to Conference rates, shall be at cost.
4. Effective dates for salary and Ministerial Pension Plan/Comprehensive Protection Plan (MPP/CPP) payments for Ministerial Appointment changes:
  - a. The salary shall be paid through June 30 when an appointment change is made at the session of the Annual Conference. Salary payments for mid-year appointments will coincide with the effective date of the appointment.
  - b. Payment on MPP/CPP billing from the General Board of Pensions shall be made for the entire month of June for those appointment changes made during the session of Annual Conference. MPP/CPP payments for mid-year appointments with an effective date of the first of the month shall be made for the previous month for the outgoing pastor and for the current month for the incoming pastor. Payments for appointment changes effective the 15th of a month shall be made for half of the current month for the out-going pastor and half of the current month for the in-coming pastor.

**Item #2-B**

**SUBJECT:** Base Figure for Determining Apportionments. Conference voted concurrence.

1. The Treasurer's Office shall use a Base Figure to determine the amount of apportionments which is to be spread to each local church. The Base Figure shall be a decimal determined by the membership and certain financial expenditures.
  - a. The Membership Decimal will be the local church membership (line 9, Table I) divided by the Conference total of church members.
  - b. The Finance Decimal will be the total expenditures of the local church as reported in Table II with exclusion of all benevolent giving, all building and debt retirement payments, and all apportionment payments. This then will include Program Expenses (line 71), Current Operating Expenses (line 72), Paid Pastor & Associates (lines 64 & 65), Parsonage Utilities and Allowances (line 66) and Travel Expenses Paid (line 67). The total of these will be divided by the Conference total of such items.
  - c. The Membership and Finance decimal shall be added and the sum divided by two to arrive at the Base Figure.
  - d. Each Section of the Annual Conference Budget is then multiplied by the Base Figure to determine the amount to be spread, with the exception of the Ministers' Reserve Pension Fund (MRPF).
  - e. The MRPF apportionment (for past service) shall be determined by taking a percentage of the Compensation Base as defined by the Council on Finance and Administration, in order to return the amount needed for the budget recommendation of the Conference Board of Pensions.

## 2. Example of Base Figure Calculation:

A. Local Church Membership	498	
Conference Membership	79,749	= .006245
B. Local Church Current Expenses		
(Lines 64,65,66,67,71 and 72)	117,040	
Total for all churches of above lines	23,309,500	= .005021
C. Total of A and B		.011266
D. Base Figure (C divided by 2)		.005633

## Item #62

**SUBJECT: Response to Item #2-B, p. 205, Base Figure for Determining Apportionments.** Conference noted noncurrence.

I propose that on line 58 starting with the words, "Paid Pastor" and through the words "Parsonage" and all of line 59 be removed. Also on line 16, page 206, the numbers "64, 65, 66, 67" be removed.

The new petition would then read:

1. The Treasurer's Office shall use a Base Figure to determine the amount of apportionments which is to be spread to each local church. The Base Figure shall be a decimal determined by the membership and certain financial expenditures.
    - a. The Membership Decimal will be the local church membership (line 9, Table I) divided by the Conference total of church members.
    - b. The Finance Decimal will be the total expenditures of the local church as reported in Table II with exclusion of all benevolent giving, all building and debt retirement payments, all clergy support and all apportionment payments. This then will include Program Expenses (line 71) and Current Operating Expenses (line 72). The total of these will be divided by the Conference total of such items."
- (c, d, and e will remain the same.)

## Item #2-C

**SUBJECT: Conference and District Travel Expenses Reimbursement.** Conference voted concurrence.

1. The rate for 1994 for all full-time Program Staff, District Superintendents and those appointed to extension ministries (P. 443.1b) shall be by voucher at the maximum rate allowed by the Internal Revenue Service, or the actual cost of public transportation rates. Other travel expenses, including room and board at Annual Conference up to Conference rates, shall be at cost.
2. The reimbursement rate for all Conference and District committees and boards shall be 15 cents per mile. It is expected that all pastors will be reimbursed from their local church travel expense account; therefore, reimbursement checks from the Conference Treasurer's Office shall be payable to the local church. Other reimbursable costs may include approved lodging, tolls, parking and telephone, if the organizational unit has budgeted for them.
3. All travel expense payments shall be by voucher only.
4. Reimbursement costs for necessary care for dependents (children, sick or elderly) may be included in the administrative budget of any organizational unit for members attending board, commission or committee meetings. The amount reimbursed shall not exceed \$20 per day per member.

## Item #2-D

**SUBJECT: Finance and Accounting.** Conference voted concurrence with amendment.

1. All agencies and institutions receiving money from the West Michigan Conference shall file a copy of their annual audit report with the Conference Treasurer's Office.

2. Depositories for the funds of Central Treasury are as follows:  
Detroit: Home Federal Savings and Loan Association  
Shearson Lehman Brothers  
Eaton Rapids: Wesley Credit Union  
Grand Rapids: Old Kent Bank and Trust Company  
Merrill Lynch, Pierce, Fenner & Smith
3. The books of Central Treasury shall be audited annually by a CPA.
4. There shall be no carrying forward of budgeted funds from one year to the next by any agency or board of the Conference without approval of the Council on Finance and Administration. The following exceptions have been approved:
  - a. The Conference Properties budget of the Conference Board of Trustees may accumulate unexpended funds in order to establish a maximum reserve fund of \$25,000 for property maintenance.
  - b. The Board of Christian Camping is permitted to establish an insurance Deductible Reserve Fund not to exceed \$5,000. The funding of this reserve account will come from the Camp Board budget.
  - c. The Equitable Salary Commission may accumulate up to an amount of \$10,000 in a Temporary Disability Fund.
  - d. The Treasurer's office may set aside up to \$7,500 annually for the purchase of computer hardware and systems.
  - e. The Connectional Ministry Section, the Administrative Funds Section and the World Service and Conference Benevolences Section of the Conference Budget may accumulate apportioned or unspent funds in a Contingency Fund account from year to year up to a maximum of 10% of the amount budgeted in the current year.
5. During the first six months of the fiscal year of 1994, the Conference Treasurer's Office will distribute 100% of the amount budgeted for each organizational unit of the Conference on a monthly basis. At the end of this period, the Council will review the apportionment receipts and the disbursements made to determine if it will be necessary to restrict spending for the balance of the year. If restrictions are found to be necessary, the Council will advise all organizational units, and the amount of the restriction will not exceed 5% of each unit's budget. The World Service and Mission Initiatives apportionments will continue to be paid at 100% of the amount budgeted, and all other General Church apportionments will be paid on the ratio of actual receipts.
6. Budgeted funds are for the Current Year only.
  - a. All funds provided through the Conference Budget will be available for programs or projects taking place within that year. There will be no "carry over" of any funds into the next year unless specifically provided for in these policies.
  - b. Programs which are scheduled after January 1 of any given year are to be funded from the budget of that year. Where payments are required in the current year for a program next year, the Treasurer's Office shall provide for an advance payment by charging a Clearing Account temporarily and then charging the proper account after the beginning of the new year.
7. All interest earned on General Funds carried in Central Treasury shall be accumulated in a General Funds Interest Account. (This does not include funds in Central Treasury which are being held for specific purposes and have been designated as Interest Earning Funds by the Council.) At the end of each fiscal year, this General Interest Account shall be transferred and accumulated in the Conference Contingency Fund to be administered by the Council on Finance and Administration.
8. The Conference Contingency account may accumulate funds from interest earnings and budgeted apportionments not to exceed an amount equal to one month's operating expenditures of the Conference. This would be 1/12 of the Conference budget.
9. Guidelines for the borrowing of money to fund capital expenditures of certain organizational units of the West Michigan Conference:
  - a. Requests to borrow \$50,000 or less will be acted upon by the Council on Finance and Administration. Requests to borrow more than \$50,000 will be automatically referred to the next session of the Annual Conference with recommendation.

- b. Emergency or unexpected borrowing needs will also be referred to the Council on Finance and Administration, which may act on behalf of the Annual Conference.
- c. The promissory note and/or other documents required by the lending institution will be signed by the Chairperson and the Secretary of both the Council on Finance and Administration and the organizational unit seeking the funds. If the loan is to be secured by a mortgage, the signature of the authorized officers of the corporation holding title to the property will also be required.

NOTE: To the extent not prohibited by The Book of Discipline, the organizational units governed by the foregoing policy shall be all Councils, Boards and Commissions of the Conference and District; all Divisions, Sections, Committees and similar sub-groups of the foregoing; all Wesley Foundations; the Conference Equitable Salary Commission; the United Methodist Foundation of the West Michigan Conference; all District Boards of Trustees, District Boards of Missions, United Methodist Unions and City Missionary Societies.

10. Prior to any request for action by the Annual Conference on a proposal which will require funding by the Annual Conference, such proposal shall be submitted to the Council on Finance and Administration for its recommendation to the Annual Conference.
11. Request for Conference funding of projects, programs, or agencies located within a District shall be presented for information to the District Council on Ministries before being presented to a Conference program board, the Conference Council on Ministries, or the Council on Finance and Administration. The funding request shall include:
  - [1] the amount to be requested from the Conference,
  - [2] the total budget projected, including anticipated income and estimated expenditures, and
  - [3] a separate listing of United Methodist sources of income anticipated or to be solicited.

Exceptions to this are the Conference related institutions of Adrian and Albion Colleges, Bronson Methodist Hospital, campus ministries, Methodist Children's Home, Clark Retirement Community, the Michigan Christian Advocate, and state-wide interdenominational bodies; which may continue to make requests directly to the related Conference board. These provisions shall apply to emergency askings as well as to annual budget requests.

12. Any requests for a Conference-wide Capital Funds Crusade shall be presented to the Council on Finance and Administration for recommendation to the Annual Conference.

### Item #63

**SUBJECT:** Response to Item #2-D, p. 208, Finance and Accounting.  
Conference voted concurrence.

To amend Item #2-D, paragraph 12, lines 54 and following, by adding the sentence:

"Upon recommendation of the Annual Conference, the proposal shall be presented to the Charge Conferences for information and study only and returned to the next session of the Annual Conference for final action."

The amended paragraph would then read:

- "12. Any requests for a Conference-wide Capital Funds Crusade shall be presented to the Council on Finance and Administration for recommendation to the Annual Conference. Upon recommendation of the Annual Conference, the proposal shall be presented to the Charge Conferences for information and study only and returned to the next session of the Annual Conference for final action."

4. A written estimate of the Cost of Moving Services shall be made by the moving company and a copy shall be sent to the Conference Treasurer's Office in advance of the move.
5. The pastor shall be responsible for contacting a moving company and for scheduling the loading and unloading of the household goods.
6. The billing for the cost of moving expenses covered by this code shall be made directly to the Conference Treasurer's Office. Moving expenses not covered by this code shall be billed directly to the pastor.

  - c. Packing and unpacking of mattress, box spring, mirror and picture cartons.

NOTE: It is now required that the householder sign a release statement on the Bill of Lading on the day of the move to release the shipment to a value of 60 cents per pound per article. Full members of the Conference appointed to "less-than-full-time" shall be reimbursed at the same ratio as the fraction of their appointment, namely 1/4, 1/2, 3/4.
2. Pastors accepting a retirement relationship to the Annual Conference are eligible to receive moving expense benefits for one "retirement move." A retirement move within the state of Michigan shall be paid in accordance with

3. Surviving spouses of pastors dying while serving the Conference shall be eligible for moving expense benefits equal to those of retiring pastors.

The cash salaries of the District Superintendents and the Council Director shall be equal to the average of the ten highest cash salaries paid to pastors of local churches in the West Michigan Conference, but shall not exceed 1.7 times the average of the cash salaries paid to all pastors under full time appointment to local churches.

The computation for each year shall be based on the previous year's local church salaries (i.e., 1994 salaries are based on 1993 local church salaries). The figures used for the averaging, both of the top ten and the total Conference, shall be those reported on the Charge Conference forms.

#### Item #2-H

**SUBJECT:** Conference Conflict of Interest Policy. Conference voted concurrence.

West Michigan Annual Conference officials, employees and/or members of the various boards and commissions of the Conference, shall not, during their term of service, receive any compensation or have any financial interest in any contract, or in any firm or corporation which provides goods or services (excluding publicly held companies where the official, employee, or member owns less than 1% of the voting stock thereof) or in any contract for the supply of goods or services, or the procurement of furnishings or equipment, interest in any construction project of the Conference, site procurement by the Conference, or any other business matter whatsoever, unless approved in advance by the official's or employee's immediate supervisor or the board or commission upon which the member participates, after full disclosure of the conflict including the amount of compensation and/or benefit the official, employee or member will receive.

The term "official," "employee" or "member of the board or commission" shall include the official's, employee's or member's immediate family. Immediate family shall be defined as any person residing with the official, employee or member and their mother, father, and/or sons or daughters.

**Item #2-I**

**SUBJECT:** **Tax Relief for Retired or Disabled Ordained Ministers (Ministers of the Gospel).** Conference voted concurrence.

1. An amount equal to 100% of the pension payments received by a retired pastor, or 100% of the disability benefit payments received by a disabled pastor, during the year of 1994 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed pastor of The United Methodist Church who is or was a member of the West Michigan Annual Conference at the time of his or her retirement or disability.
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed pastor from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the pastor to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired pastor's pension or disabled pastor's benefits.

NOTE: The rental/housing allowance which may be excluded from a pastor's gross income is limited to the lesser of [a] the amount of the rental/housing allowance designated the Conference (total pension or disability benefits received), [b] the amount actually expended by the retired or disabled pastor to provide his or her housing, or [c] the legally-determined fair rental value of the housing. The cost of all utilities may also be excluded over and above all other housing costs.

**Item 2-J**

**SUBJECT:** **Ministers' Reserve Pension Fund (MRPF) - For Past Service.** Conference voted concurrence.

It is recommended that the West Michigan Conference continue with the guidelines set forth in the DISCIPLINE for past service, and that the Annuity Rate continue at one percent (1%) of the average compensation of the Conference (as determined by the General Board of Pensions) per year of service. The 1994 average Conference compensation has been determined to be \$31,885; therefore, the Annuity Rate shall be established at \$319 for each year of service prior to 1982.

**Item #3-A**

**SUBJECT:** **Health Care Premium Rates.** Conference voted concurrence.

That the Conference Board of Pensions be authorized to establish the annual premium rates for all participants in accordance with the amounts required to provide for the anticipated claims and within the amount provided in the Conference budgets for 1993 and 1994.

**Item #3-B**

**SUBJECT:** **Health Care -- Retired and Disabled Pastors.** Conference voted concurrence.

**RETIRED OR DISABLED PASTORS** It is recommended that premiums for retired pastors receiving pension benefits and without a full time appointment, who are age 62 and over, or with 40 years of service, and eligible surviving spouses, be paid by the Conference at the rate of 4% per year of service to the church based upon full-time service. Less than full-time service would earn credit at the percentage equal to the work load (e.g. service listed as ½ work load would earn ½ year credit). Retired pastors having served less than 25 years can participate in the Plan by paying the portion of the premium not covered by their years of full-time service. Those retired pastors who hold a full-time appointment are required to pay the same percentage of premium costs as active pastors.

Pastors on full disability, receiving benefits from the General Board of Pensions, are eligible for full health insurance coverage with premiums being paid by the Conference.

It is further recommended to continue NOT paying premium costs for persons under special appointment outside of the West Michigan Conference structure. The Board recommends that the local churches individually consider paying the balance of the pastor's and family's share of his/her premiums.

#### Item #4

**SUBJECT:** Missions and Church Extension Trust Fund and  
Adrian-Albion College Endowment Fund Joint Agreement.  
Conference voted concurrence.

That the Joint Agreement between the two Michigan Conferences and Adrian and Albion Colleges governing the Michigan Area Loan Funds be renewed effective January 1, 1994 to expire December 31, 2005 unless renewed by the parties in June, 2004.

**PART A:**                   MISSIONS AND CHURCH EXTENSION TRUST FUND  
JOINT AGREEMENT  
MICHIGAN AREA ANNUAL CONFERENCES  
and  
ADRIAN COLLEGE  
ALBION COLLEGE

#### I. PREAMBLE

To further the cause of church extension, to provide financial assistance to churches and to provide additional resources for the two Methodist Colleges, in 1984 and 1985 the two Michigan Conferences, Adrian College and Albion College jointly agreed to combined operation of the Missions and Church Extension Trust Fund and the Adrian-Albion College Endowment Fund. Loans to United Methodist Churches under this agreement are made for new church development as far as needed, and for purchase of parsonages and other capital needs of United Methodist Churches.

Action by the two Michigan United Methodist Conferences (referenced below) renewed the principle of having the Trustees of the Missions and Church Extension Trust Fund elected by the two Conferences also serve as Trustees for the Adrian-Albion College Endowment Fund. Procedures in administration of the two Funds are identical, but each Fund is maintained as a separate entity. The administrative agency of the two Funds is the Michigan Area Loan Funds Office. Except where noted, "Trustees" shall refer separately to Trustees in each Fund.

Due consideration shall be given to the interests and expertise in the area of church buildings, missions, and new church development. Any vacancies that occur before expiration of the terms of any elected Trustee shall be filled by utilization of the respective Annual Conference procedure for filling such vacancies or, if a college representative, by the respective college involved. The Trustees of the Adrian-Albion College Endowment Fund shall be identical to those elected to the Missions and Church Extension Trust Fund and the election of the members thereof shall be identical to

The Trustees in consultation with the Bishop, shall appoint a Resident Agent, who shall be either a member of one of the United Methodist Churches, within the bounds of the two Annual Conferences, or a member of one of the Annual Conferences, and who shall act for the corporation in its day-to-day affairs and who shall have such powers and duties as designated by the Trustees and the By-Laws of the corporation.
- 2. The Resident Agent shall be held only to the exercise of reasonable care in the execution of this trust, and where he acts through agents or attorneys, he shall not be responsible for their wrong-doing, nor shall it be the Resident Agent's duty to effect insurance against fire or other damage in connection with said mortgages or to renew policies, but he shall have the right to attend to any of these matters.
- 3. The Resident Agent may at any time resign his position by giving written notice to the Trustees to that effect at least thirty (30) days before the resignation is to take effect. In the event of the death, disability or resignation of the Resident Agent or in the event of his refusal to serve, and it being the intention of the parties that the Resident Agent shall be a person designated by the Trustees of the Fund, they shall have full power to name a successor Resident Agent. His successor shall have all of the rights, powers, duties and obligations of the former Resident Agent.
- 4. A fidelity bond shall be required of the Resident Agent as determined by the Trustees of the Fund.
- E. The President and Resident Agent shall report annually to each conference and to each college including but not limited to financial reports of the two Funds. Such reports to investors in the Fund as are required will be made at least annually or more frequently as determined by the Trustees.

- A. The Trustees shall elect, at the annual meeting, a President, Secretary and Treasurer. The officers shall have such duties as normally associated with their positions. The Trustees may also from time to time, appoint such other officers and committees as shall be necessary for the transaction of business of the corporation.
- B. The Trustees are authorized to borrow, receive and raise funds, as necessary to carry on the business of the corporation.
- C. Between regular or special meetings, the Executive Committee of the Trustees shall be responsible for taking such action deemed necessary for the corporation, subject to approval by Trustees in the next regular or special meeting.
- D. Matters may be presented to the Trustees for approval by mail or phone ballot, subject to approval by Trustees in the next regular or special meeting.
- IV. A. **CERTIFICATES OF PARTICIPATION** are authorized for receipt of funds for investment in the Missions and Church Extension Trust Fund. Trustees of this Fund are responsible for rules and procedures pertaining to certificates. The funds raised by this issuance plus any equity retained shall constitute the Missions and Church Extension Trust Fund. The funds may be used for capital expansion and development of self-supporting as well as mission churches. Additions to equity funds retained, in the form of gifts and bequests may be accepted by the Trustees and added to the Fund.

- 1. Certificate Issuance - all certificates will be issued by the Resident Agent, and will be authenticated by two signatures authorized by the Trustees of the Missions and Church Extension Trust Fund.
- 2. Certificate Replacement - in the event that any of the certificates issued hereunder become mutilated or become destroyed or lost, the Resident Agent, with discretion

may issue, certify and deliver a new certificate of like tenure, date and amount and upon cancellation of the mutilated certificate or in lieu thereof and substitution for the certificates so destroyed or lost. The request for substitute certificate or lost or destroyed certificates, shall furnish the Resident Agent evidence of the destruction or loss of such certificate(s), which evidence shall be satisfactory to the Resident Agent in the Agent's discretion, and said application shall furnish indemnity satisfactory to the Resident Agent as may be required by the Resident Agent.

3. **Certificate Security** - The Trustees of said Fund shall state in the literature offering Missions and Church Extension Trust Fund certificates for investments that such certificates are secured only by the pledge of the Missions and Church Extension Trust Fund first mortgages, and reserves, and pledged assets, on deposit with the Resident Agent.
4. **Interest** - The Trustees shall be empowered to determine the rate of interest on the funds invested and covered by trust certificates, also the mortgage rate of interest, and fees for opening a mortgage account and/or promissory notes account in either Fund. Principal and accumulated interest on certificates and repayments on mortgages and promissory notes are payable at the office of the Resident Agent. The Trustees, in setting interest rates, shall provide for a minimum of 1/2% differential between the amount paid on certificates and the amount charged for loans.

- IV. B. **Role of the Annual Conferences** - the Annual Conferences while not assuming any obligation to do so may provide funds for the payment of principal and/or interest due on certificates issued hereunder from sources other than repayments on first mortgages held by the Trustees under this agreement. If the Annual Conferences fail to provide sufficient funds to meet all of the payments required to pay the trust certificates, which are issued and outstanding, and the interest thereon as the same becomes due and payable, the Resident Agent after authorization by the Trustees is hereby authorized and empowered to collect any and all payments due under said mortgages, to make arrangements for the refinancing of the same so as to liquidate the principal amount due thereunder, to borrow money upon the same as security, to take any and all other acts necessary to provide the funds for the payment of the principal and interest as the same shall become due upon said certificates.

#### V. ASSETS

- A. All mortgages, promissory notes, monies on deposit, and assets of the Fund shall be held in the corporate name of the Fund.
- B. **Loans** - loans shall be made to United Methodist Churches at the interest rate determined by the Trustees for a term not to exceed ten (10) years for first mortgage loans and five (5) years for promissory notes, and shall provide for repayment of principal and interest monthly. Commitments for loans made to United Methodist Churches shall expire within six (6) months from the date of notification to the church of the loan grant unless extended by the Resident Agent. The Resident Agent shall determine which Fund will provide the proceeds of approved loans. The Fund shall charge a modest fee established by the Trustees for opening a loan account, to be paid by the borrower.

The Fund shall invest any uninvested principal or income in such short term securities or money market accounts as it shall determine as safe and prudent.

- C. There shall be an annual audit.
- D. As long as interest on certificates is not in default, repayment on mortgages held by each Fund may be used by the Trustees of the fund in the establishing of new churches and/or capital expansion and development of churches and church agencies of the two Conferences, provided however, that the Trustees shall always retain one dollar (\$1.00) in Missions and Church Extension mortgages, liquid reserves and pledged assets for every one dollar (\$1.00) in certificates issued. Where warranted, the Trustees shall give consideration to the ratio of the contributions and investments from the two Annual Conferences.
- E.
  1. **Accounting** - the Trustees shall receive a quarterly accounting of all assets of the Fund.
  2. The Missions and Church Extension Trust Fund, as administrator, shall be reimbursed by Adrian-Albion College Endowment Fund at the rate of five (5) percent per annum on all income received by the Adrian-Albion College Endowment Fund on said loans and investments. The said five (5) percent per annum service charge shall be deducted from each monthly remittance which is made by the Missions and Church Extension Trust Fund to the colleges.

The Annual Conferences agree to compensate the colleges for the five (5) percent service charge so that each college will receive one hundred (100) percent of its half of the income from the Adrian-Albion Fund. This adjustment shall be made by the Annual Conference to the colleges at the end of each calendar year. The ratio of contribution to the service charge deficiency between the two Annual Conferences shall be revised annually according to the relative strengths of the two Annual Conferences.

3. The Missions and Church Extension Trust Fund, or Adrian-Albion College Endowment Fund, shall not be responsible in any way for losses incurred in the other Fund due to nonpayment of loans made to churches or for the payment of legal services and costs necessitated by legal proceedings for the collection of said loans. The Trustees shall give equal care to each Fund and its loans.

#### VI. AMENDMENT

- A. This AGREEMENT may be amended, except for Section II, by a majority of Trustees present at any duly called meeting, providing the suggested amendments shall be mailed to the Trustees at least ten (10) days before the meeting.
- B. This AGREEMENT shall expire on January 1, 2004, unless extended by the parties hereto in the Annual Conferences as of June, 2003. Any party hereto may cancel this AGREEMENT upon sixty (60) days written notice to the other parties. This cancellation privilege shall include the Missions and Church Extension Trust Fund as Agent of the Adrian-Albion College Endowment Fund.

#### VII. CONTINUANCE

- A. In the event that either trust fund shall exercise its option to become separate or shall cease to exist, the Trustees of each separate or surviving Fund shall continue their independent status and shall be elected in the same manner as provided above.
- B. In the event of dissolution of either trust fund, whereby the provisions of VII A. above cannot be met, the assets of either Fund will be distributed in an equitable manner as agreed upon by the Council on Finance and Administration of the two Conferences, subject to final approval of both Annual Conferences.
- C. IN WITNESS THEREOF, the parties have hereunto affixed their corporate seals, duly attested by their proper officers the day and year aforesaid.

2. As a guiding principle and when money market conditions permit, investment of such uninvested funds of the Adrian-Albion College Fund shall return a minimum of percentage return as established by the Trustees. 2. The Missions and Church Extension Trust Fund, as administrator, shall be reimbursed by Adrian-Albion College Endowment Fund at the rate of five (5) percent per annum on all income received by the Adrian-Albion College Endowment Fund on said loans and investments. The said five (5) percent per annum service charge shall be deducted from each monthly remittance which is made by the Missions and Church Extension Trust Fund to the colleges.
  3. The Annual Conferences agree to compensate the colleges for the five (5) percent service charge so that each college will receive one hundred (100) percent of its half of the income from the Adrian-Albion Fund. This adjustment shall be made by the Annual Conference to the colleges at the end of each calendar year. The ratio of contribution to the service charge deficiency between the two Annual Conferences shall be revised annually according to the relative strengths of the two Annual Conferences.
  4. The Missions and Church Extension Trust Fund, or Adrian-Albion College Endowment Fund, shall not be responsible in any way for losses incurred in the other Fund due to nonpayment of loans made to churches or for the payment of legal services and costs necessitated by legal proceedings for the collection of said loans. The Trustees shall give equal care to each Fund and its loans.

#### VI. AMENDMENT

- A. This AGREEMENT may be amended, except for Section II, by a majority of Trustees present at any duly called meeting, providing the suggested amendments shall be mailed to the Trustees at least ten (10) days before the meeting.
- B. This AGREEMENT shall expire on January 1, 2004, unless extended by the parties hereto in the Annual Conferences as of June, 2003. Any party hereto may cancel this AGREEMENT upon sixty (60) days written notice to the other parties. This cancellation privilege shall include the Missions and Church Extension Trust Fund as Agent of the Adrian-Albion College Endowment Fund.

#### VII. CONTINUANCE

- A. In the event that either trust fund shall exercise its option to become separate or shall cease to exist, the Trustees of each separate or surviving Fund shall continue their independent status and shall be elected in the same manner as provided above.
- B. In the event of dissolution of either trust fund, whereby the provisions of VII A. above cannot be met, the assets of either Fund will be distributed in an equitable manner as agreed upon by the Council on Finance and Administration of the two Conferences, subject to final approval of both Annual Conferences.
- C. IN WITNESS THEREOF, the parties have hereunto affixed their corporate seals, duly attested by their proper officers the day and year aforesaid.

## Item #5

**SUBJECT:** Apportionment Calculation. Conference voted noncurrence.

The Treasurer's Office shall use only the membership to determine the amount of apportionments which is to be spread to each church. The membership factor will be the local church membership divided by the Conference total of church members.

## LEGISLATIVE COMMITTEE #2

## Item #6

**SUBJECT:** Camping Endowment Fund Campaign. Conference voted concurrence.

The West Michigan Conference authorizes the Board of Christian Camping to engage in a fund-raising campaign, with the following directives:

1. The campaign will be conducted over the three-year period, 1995-1998.
2. Proceeds from the campaign will be deposited in the current Camp Endowment Fund.
3. A tiered goal of \$5,000,000 is established:
  - A) \$3,125,000, placed in permanent endowment, to cover three kinds of items which are annually unfunded--
    - (1) Maintenance, improvements, and repairs of the five currently owned campsites: Albright, Crystal Springs, Lake Michigan, Lakeview, and Wesley Woods
    - (2) Program initiatives
    - (3) Additional scholarships
  - B) \$1,000,000 for capital improvements, including a one time grant to Lake Louise.
  - C) \$875,000 for permanent endowment for scholarships and other special funding needs.

- D) Funds raised in excess of \$5,000,000 would become part of the permanent endowment, and the earnings earmarked for scholarships and other special funding needs.

### LEGISLATIVE COMMITTEE #3

#### Item #7

**SUBJECT:** Abortion Condemnation. Conference voted noncurrence.

That the West Michigan Conference condemn the practice of abortion of a child except to save the life of the mother. We further condemn any attempt to use abortion as a means of birth control or gender selection.

#### Item #8

**SUBJECT:** The Study Document on Homosexuality. Conference voted concurrence with amendment.

That the West Michigan Annual Conference encourages local churches to utilize study documents on homosexuality requested by the 1992 General Conference in order to further understanding between persons of differing sexual orientations. The study materials will be available through Cokesbury.

#### Item #9

**SUBJECT:** The Civil Rights of Homosexual Persons. Replaced by Item #65.

That the West Michigan Annual Conference affirm the position of the General Church regarding the civil rights of all persons. Specifically, the West Michigan Conference opposes any local, state or national efforts to prevent specific legislation which denies the civil rights of homosexual persons.

#### Item #64

**SUBJECT:** Response to Item #9, p. 234, The Civil Rights of Homosexual Persons: Amendment. Defeated.

Amend the item by deleting the final period (.) and adding these words: "...with the exception of legislation whose purpose is to protect the existing civil rights of individuals and groups in their pursuit and practice of religious beliefs and/or adherence to specific moral standards."

#### Item #65

**SUBJECT:** Response to Item #9, p. 234, The Civil Rights of Homosexual Persons: Substitution #A. [This is a substitute petition for Item #9.] Conference voted concurrence with amendment.

That the West Michigan Annual Conference affirm the position of the General Church regarding the civil rights of all persons. Specifically, the West Michigan Conference opposes any local, state or national legislation which denies the civil rights of any people including homosexual persons.

(This simply deletes the words "efforts to prevent specific," removes the triple negative and makes clear the original intention of the petition.)

#### Item #66

**SUBJECT:** Response to Item #9, p. 234, The Civil Rights of Homosexual Persons: Substitution #B. Conference voted noncurrence.

We move that the following be substituted for Item #9:

"That we do not give SPECIAL Civil Rights to Sodomites (a biblically correct term) as a class of people singling them out for preferential treatment, and that we encourage our local governments to honor the existing civil rights laws."

**Item #10**

**SUBJECT:** Contributions to the World Council of Churches. Defeated.

I move that the West Michigan Annual Conference investigate charges that the World Council of Churches supports Marxist governments and or groups that have Marxist beliefs. If this is the case I further move that the West Michigan Conference cut all funds to the World Council of Churches to zero. I would also further move that this finding be forwarded to the General Conference of the United Methodist Church.

**Item #11**

**SUBJECT:** Witness Against Discrimination: Petition to Move 1996 General Conference. Conference voted nonconcurrence.

In keeping with our church's historical witness against discrimination, we, the undersigned members of the United Methodist Church, request that the West Michigan Annual Conference of the United Methodist Church take a bold stand opposing social and economic injustice against gay and lesbian persons in Colorado by moving the 1996 General Conference from Denver, Colorado to an alternate location within the Western Jurisdiction, to be determined by the Commission on General Conference.

**Item #67**

**SUBJECT:** Response to Item #11, p. 235, Witness Against Discrimination: Petition to Move 1996 General Conference. Conference voted nonconcurrence.

Insert on line 36, after the word "take", the following words: "...a grass roots poll of our local congregations to see if they would support taking..."

The amended motion would read as follows:

"In keeping with our church's historical witness against discrimination, we, the undersigned members of the United Methodist Church, request that the West Michigan Annual Conference of the United Methodist Church take a grass roots poll of our local congregations to see if they would support taking a bold stand opposing social and economic injustice against gay and lesbian persons in Colorado by moving the 1996 General Conference from Denver, Colorado to an alternate location within the Western Jurisdiction, to be determined by the Commission on General Conference."

**LEGISLATIVE COMMITTEE #4****Item #12**

**SUBJECT:** Ministry With Homosexual Persons. Substituted by Item #68.

We, the members of the West Michigan Annual Conference, affirm those persons who are in ministry with, and stand beside, homosexual persons. Amended by substitution with Amended Item #68.

**Item #68**

**SUBJECT:** Response to Item #12, p. 236, Ministry With Homosexual Persons: Substitution. Conference voted concurrence with amendment.

To amend by substitution with the following:

"We, the members of the West Michigan Annual Conference, affirm those persons who are in ministry with homosexual persons, consistent with the Bible and The Book of Discipline of the United Methodist Church."

## Item #69

**SUBJECT:** Response to Item #12, p. 236, Ministry With Homosexual Persons: Amendment. Needed no action by passage of Item #68.

Amend Item #12 by deleting the final period (.) and adding these words: "...with the understanding that such ministry should lead inevitably to helping homosexuals understand the incompatibility of homosexuality with Christian teaching and the need to repent from such a lifestyle."

## Item #13

**SUBJECT:** The Military and Homosexual Persons. Conference voted concurrence without any amendment.

That the West Michigan Annual Conference support the efforts of the Clinton Administration to lift the ban on homosexuals in the United States military. Further, that letters of such support be sent to President Clinton, our state legislators and senators by the Conference Secretary.

## Item #70

**SUBJECT:** Response to Item #13, p. 236, The Military and Homosexuals: Amendment. Conference voted nonconcurrence.

Amend Item #13 by inserting after the word "Conference" on line 30 these words: "...encourage our local congregations to prayerfully seek the will of God before choosing whether to..."; also, delete the words "of such support" on line 32, and insert these words: "...encouraging similar action on their behalf..."

The amended motion will read as follows:

"That the West Michigan Annual Conference encourage our local congregations to prayerfully seek the will of God before choosing whether to support the efforts of the Clinton administration to lift the ban on homosexuals in the United States military. Further, that letters encouraging similar action on their behalf be sent to President Clinton, our state legislators and senators by the Conference Secretary."

## Item #71

**SUBJECT:** Response to Item #13, p. 236, The Military and Homosexuals: Substitution. Conference voted nonconcurrence.

Move that the following be substituted for Item #13:

"That we the people of West Michigan United Methodism urge our Representatives in Washington to support the Military Readiness Act (H.R. 667) as it now is before the House."

## Item #14

**SUBJECT:** Homosexual Practices. Conference voted concurrence with amendment.

That homosexual practices which are forbidden in the Bible (Lev. 18:22, I Kings 14:24 and Romans 1:24-32) should not be accepted as a life style for Christians, Christian teachers, church leaders, or pastors.

## Item #15

**SUBJECT:** The Girl Child. Conference voted concurrence with amendment.

The churches of the West Michigan Conference of the United Methodist Church will provide study and action opportunities for its members to champion the cause of the girl child worldwide. Such a study should include areas that affect the welfare of our own children, e.g. child sexual abuse, neglect, sexism, and gender stereotyping. The Board of Church and Society will provide resources to local congregations.

**Item #16**

**SUBJECT:** Study Theological Task. Conference voted concurrence.

We recommend that each United Methodist Congregation in the West Michigan Conference set aside one day to read, study and discuss the implications of ¶ 68 (Our Theological Task) in the 1992 BOOK OF DISCIPLINE.

## **LEGISLATIVE COMMITTEE #5 PLAN OF ORGANIZATION – CHANGES**

**Item #17**

**SUBJECT:** Position of Chairperson of the Conference Commission on Religion and Race, Part III, Section C.4.D.8.d.2. [page 291] Referred to Leadership Council.

Amend by addition Part III, Section C.4.D.8.d.2 of the "Plan of Organization" to include, "the Chairperson of the Commission on Religion and Race."

**Item #73**

**SUBJECT:** Response from Leadership Council to Item #17, p. 238, Position of Chairperson of the Conference Commission on Religion and Race, "Plan of Organization," Part III, Section C.4.D.8.d.2. [page 291] Conference voted concurrence.

To refer Item #17 to the Leadership Council for study in order to bring a recommendation for action to the 1994 Annual Conference.

**Item #18**

**SUBJECT:** Tenure, "Plan of Organization," Part I, Section D.4. [Page 274] Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 274] -- 4 Tenure -- On the third line delete: "Trustees of the Conference". According to the 1992 DISCIPLINE, ¶ 2513, Trustees are to serve four year terms which will bring them under the present eight year tenure rule of the Conference.

**Item #19**

**SUBJECT:** Vacancies, "Plan of Organization," Part I, Section D.6. [Page 274] Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 274] -- 6 Vacancies -- Delete the final sentence: "The term of any person filling ... subject to tenure rules." Replace it with: "Any person selected to fill a vacancy shall be eligible for nomination and election at the ensuing Annual Conference subject to the tenure rules." The deleted sentence seems to conflict with the first sentence, "...to fill the vacancy for no longer than the current year", and is confusing then as to what tenure they may hold.

## Item #20

**SUBJECT:** Leadership Council, "Plan of Organization," Part III, Section A.  
 [Page 278] Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 278] -- Section A -- Leadership Council -- In the third paragraph: "Membership shall be elected...", seventh line between the words: "youth" and "shall" insert the words: "named by the Conference Council on Youth Ministries" so that it will read: "One youth named by the Conference Council on Youth Ministries shall serve on the Council." That seems to be the intent of the paragraph and this would clarify where the youth comes from.

## Item #21

**SUBJECT:** Meetings, "Plan of Organization," Part III, Section C.2.A.  
 [Page 279] Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 279] -- 2 Meetings -- On the third line of A., between the words: "and" and "published" insert the words: "when possible" so that it reads: "Meetings are to be scheduled and when possible published in the Conference calendar of meetings." There are several organizational units which meet as needed, or cannot schedule their meetings far enough in advance so as to be published in the Conference calendar. While this should be encouraged, it should not be mandatory.

## Item #22

**SUBJECT:** Persons Recommended by Board or Agency, "Plan of Organization," Part III, Section C.4. Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following changes in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

In each of the following, delete the sentence which reads: "...x number of whom shall be recommended by the Board (or other agency) itself prior to Annual Conference election;"

**Item #22-A** [Page 283] Part III, Section C.4.B.1.a. Conference voted concurrence.

(a). Board of Church and Society -- 1. Delete "six (6) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Fifteen (15) members at large;"

**Item #22-B** [Page 283] Part III, Section C.4.B.1.b. Conference voted concurrence.

(b). Board of Global Ministries -- 2a. Delete "six (6) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Thirteen (13) members at large;" Conference voted concurrence.1

## Item # 80

**SUBJECT:** Response to Item #22-B, p. 240, Persons Recommended by Board or Agency, "Plan of Organization," Part III, Section C.4. Withdrawn.

We recommend that the following be substituted for Item #22-B: [Page 283] Part III, Section C.4.B.1.b.

(b). Board of Global Ministries -- 2.a. Delete "Thirteen (13) members, six (6) of whom shall be recommended...election;" and add: "Nineteen (19) members, six (6) of whom shall be the District Mission Secretaries, and the rest at large."

**Item #22-C** [Page 284] *Part III, Section C.4.B.1.c* Conference voted concurrence.

(b). Board of Discipleship -- 2.a. Delete "six (6) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Fourteen (14) members at large;"

**Item #22-G** [Page 287] *Part III, Section C.4.B.3.f.* Conference voted concurrence.

(f). Racial/Ethnic Local Church Committee -- Line 1. Delete "six (6) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Eighteen (18) members at large;"

**Item #22-H** [Page 287] *Part III, Section C.4.C.1.a.* Conference voted concurrence.

(1). Council on Finance and Administration -- (a). Delete "six (6) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Fifteen (15) members at large;"

**Item #22-I** [Page 288] *Part III, Section C.4.C.4.a.* Conference voted concurrence.

(4). Commission on Equitable Salaries -- (a). Delete "four (4) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Twelve (12) members at large;"

**Item #22-J** [Page 289] *Part III, Section C.4.D.5.a.* Conference voted concurrence.

(5). Conference Personnel Committee -- (a). Delete "three (3) of whom shall be recommended ... election;" and add: "at large" so that it reads: "Nine (9) members at large;"

**Item #23**

**SUBJECT:** United Methodist Foundation, "Plan of Organization," Part III, Section C.4.C.5.c. [Page 288-289] Conference voted to substitute with Item #74.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 288-289] -- (5). United Methodist Foundation of the West Michigan Conference -- (c).2. Delete the words: "eight (8)" and substitute the words: "twelve (12)"; delete the final word "and"; and delete the first two lines of 3. so that 2. will now read: "twelve (12) Directors nominated by the Conference Committee on Nominations and Leadership Development. Those elected by the West Michigan Annual Conference... term of four (4) years." and add "at large;"

## Item #74

**SUBJECT:** Response from Leadership Council to Item #23, p. 241, United Methodist Foundation, "Plan of Organization," Part III, Section C.4.C.5.c. [page 288-289] Conference voted concurrence.

To substitute Item #23 with the following:  
[page 288-289] -- (5). United Methodist Foundation of the West Michigan Conference -- (c).3. Adding after Annual Conference (line 3): "so that at any given time 8 Directors will have been nominated by CONALD and 4 Directors will have been nominated by the Foundation."

## Item #24

**SUBJECT:** United Methodist Men, "Plan of Organization," Part III, Section C.4.B.1.g. [Page 284] Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 284] -- (g). United Methodist Men -- In the first line change the word: "may" to "shall", so as to conform with the 1992 DISCIPLINE ¶ 744.

## Item #25

**SUBJECT:** Racial/Ethnic Local Church Committee, "Plan of Organization," Part III, Section C.4.B.3.f. [Page 287] Conference voted concurrence with amendment.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 287] -- (f). Racial/Ethnic Local Church Committee -- It should be noted that this Committee is now: Committee on Ethnic Local Church Concerns, so that (f). should read: "Committee on Ethnic Local Church Concerns: To be appointed by the Conference Council on Ministries with duties as outlined in 1992 DISCIPLINE ¶ 726.5a."

## Item #75

**SUBJECT:** Response from Leadership Council to Item #25, p. 242, Racial/Ethnic Local Church Committee, "Plan of Organization," Part III, Section C.4.B.3.f. [page 287] No action needed.

We commend Item #25 to the Annual Conference.

## Item #76

**SUBJECT:** Response to Item #25, p. 242, Racial/Ethnic Local Church Committee, "Plan of Organization," Part III, Section C.4.B.3.f. Conference voted concurrence.

That Item #25 be amended so that it reads as follows:

"(f). Racial Ethnic Local Church Committee: To be appointed by the Conference Council on Ministries with duties as outlined in 1992 DISCIPLINE ¶ 726.5a."

**Item #26**

**SUBJECT:** Committee on Nominations and Leadership Development, "Plan of Organization," Part III, Section C.4.D.8.b.4. [Page 290]  
Conference voted concurrence.

On behalf of the Conference Committee on Nominations and Leadership Development (CONALD), I respectfully request the following change in the "Plan of Organization" as printed in the 1992 West Michigan Conference JOURNAL:

[Page 290] -- (8) Committee on Nominations and Leadership Development -- (b). Membership -- Delete present number "4. Election of members shall be by written ballot by members of the Conference;" and renumber accordingly. Election of members of CONALD has traditionally been done using the printed Nomination Slate for all of the elections and voting by hand. A written ballot requires time that is unnecessary unless there should be further nominations from the floor which exceed the positions open which is rare.

**Item #27**

**SUBJECT:** Conference Program Staff, "Plan of Organization," Part III, Section C.4.A.6. [Page 282-283] Conference referred to the Annual Conference Personnel Committee.

Add the following statement to Conference Program Staff, Part III, Section C.4.A.6:

Refer Item #27 to the Annual Conference Personnel Committee.

**Item #28**

**SUBJECT:** Recognition of Multiracial Persons (People of Mixed Heritage). Conference voted concurrence with amendment.

We move that the Conference establish guidelines to reflect our inclusiveness to persons of mixed parentage on all subsequent materials that request for racial backgrounds. Conference voted concurrence with amendment.

I respectfully request that the Committee on Native American Ministry be added to the "Plan of Organization" under Part III, Section C.4.B.1., new (k); further that the Indian Workers' Conference be the designated committee for this Conference year.

## LEGISLATIVE COMMITTEE #7

## Item #34

**SUBJECT:** Conference Policy on Cooperative Ministry. Conference voted concurrence.

Whereas, we have been led and urged by our Bishop who has declared, "It is time to think inter-dependently.";

Whereas, we are serving under the legislated direction of the 1992 West Michigan Annual Conference;

Whereas, we are mandated by The Book of Discipline of the United Methodist Church (1992); and

Whereas, we are compelled by the call of Jesus Christ to effectively respond to the urgent needs of our world;

Therefore, we of the West Michigan Annual Conference call all laity and clergy in local churches and circuits to reclaim the essence of being the body of Christ through cooperation in ministry.

We agree to carefully examine our current ministries in light of the potential opportunities provided by cooperating in ministry.

We further agree to voluntarily and creatively seek out, enter into, and expand our ministries through cooperative ministerial relationships wherever possible.

To that end we adopt the following Conference Policy on Cooperative Ministry.

I. OBJECTIVE OF THIS POLICY

- A. Create, expand, support, and affirm cooperation in ministry by encouraging local churches to establish and sustain informal cooperative ministry activities, formal cooperative ministry groups, and administered cooperative parishes as desirable approaches to or styles of ministry;
- B. Call every clergy and layperson within the Conference to be more intentional about establishing cooperative ministries and cooperative parishes;
- C. Recognize how cooperative ministries are positive options which can provide opportunities for creating, expanding or extending our ministry into new areas of the community and the world;
- D. Increase the effectiveness of ministry and strengthen congregations of all sizes through cooperation in ministry; and
- E. Make more effective the limited resources of the church through the synergistic sharing of people, financial resources, insight, and talents in which the total result greatly exceeds that of the sum of its parts.

II. FUNCTIONS OF THE POLICY (an outline of this document)

- A. Define cooperation in ministry at three distinct levels of development (section III):
  1. (Level I) informal cooperative ministry activities (III.A.);
  2. (Level II) formal cooperative ministry (III.B.); and
  3. (Level III) administered cooperative parishes (III.C.);
- B. Name examples of cooperation in ministry in order to engage all clergy and laity in a creative process of discovering innovative opportunities for expanding or extending our ministry into new areas of the community and the world through cooperative efforts (section IV);
- C. Define the process by which these cooperative forms of ministry may be established (section V);

- D. Define the resources of the Conference to support the development and ongoing work of cooperative ministries and cooperative parishes (section VI); and
- E. Establish a resource of background material for better understanding the nature of cooperation in ministry and the disciplinary mandate for developing cooperative forms of ministry (appendix [rationale]).

### III. LEVELS OF COOPERATIVE MINISTRY DEFINED

There are three levels of cooperation in ministry. These levels are defined according to the degree of complexity of the shared activities and the administrative structures that bind cooperating churches or circuits together.

- A. Cooperative ministry activities (Level I).
  - 1. Two or more churches informally agree to engage themselves together in a shared event or a special activity of ministry.
  - 2. These events or activities may be repeated periodically, conducted annually, or may be done on single occasions (hymn sings, Vacation Bible School, Christmas Eve worship, etc.).
  - 3. The cooperative activity(ies) may be initiated through pastoral or lay leadership.
  - 4. The churches involved may be exclusively United Methodist or include churches of other denominations from the community.
- B. Formal cooperative ministries (Level II).
  - 1. Two or more churches or circuits agree to create a structure through which they are amenable which is empowered to oversee the ongoing cooperative ministries of the group.
  - 2. The creation of the cooperative ministry may be initiated through pastoral or lay leadership, but is affirmed and supported by each church within the group.
  - 3. The group engaged in formal cooperative ministries may develop a series of ministry events, share annual or seasonal events on a repeated basis, or join to establish ongoing ministries for mutual missional purposes (joint youth groups, food pantry, shared office resources, community outreach, etc.).
  - 4. The cooperative ministry group is usually led by a coordinator or chairperson selected from within the midst of the group, either elected by the group or (in the case of a cluster) designated by the District Superintendent.
  - 5. See the appendix, section IV, from The Book of Discipline (1992), ¶206 (3) d, e, f, g, and h for examples of this type of ministry.
  - 6. Innovative models of cooperative ministries may be developed at this level of organization to fit local needs or possibilities.
- C. Cooperative parishes (Level III).
  - 1. Parish organizations established by a group of churches, formally bound by covenant or other structured form of agreement entered voluntarily by the congregations involved.
  - 2. The cooperative parish is administered by an agreed upon form of administrative structure(s) which include lay and clergy representation from each church within the parish.
  - 3. The cooperative parish is normally led by a Cooperative Parish Director who is appointed to the position by the Bishop.
  - 4. Clergy on the parish are appointed to individual churches or circuits within the parish and to the parish itself.
  - 5. Examples of this type of cooperative parish may be found in the appendix, section IV, from The Book of Discipline (1992), ¶206 (3) a, b, c, i, and j.
  - 6. Innovative models of cooperative parishes may be developed to fit local needs or possibilities.

### IV. ASSESSING AND EXPLORING COOPERATIVE MINISTRY POSSIBILITIES

Every local church shall engage in an assessment of their cooperative ministry activities, and every church is urged to explore some of the numerous possibilities for cooperation in ministry in which they may actively engage.

- A. Each church shall evaluate themselves utilizing the above outline of the levels of cooperation in ministry in order to:
  - 1. Assess and claim the cooperative ministry activities in which they are already engaged;
  - 2. Determine at what level of cooperation in ministry they are currently functioning;
  - 3. Address additional church and community needs and opportunities by developing innovative cooperative ministry activities; and
  - 4. Explore the possibilities for increased ministry effectiveness as a church through developing either a cooperative ministry group or a cooperative parish where none may now exist.

- B. Congregations existing in close proximity--both within the denomination and ecumenically--are urged to consider ways they might strengthen their ministry and effectiveness by voluntarily working together cooperatively for:
  1. Seasonal worship observances;
  2. Special church or community celebrations;
  3. Joint missional efforts in the community;
  4. Clergy and/or lay groups for Bible study, prayer group, accountability and mutual support, or fellowship.
- C. Local churches already working in informal cooperative ministry activities may take initiative to establish themselves as a more formal cooperative ministry or as a structured and administered cooperative parish following the outline of steps provided below.

V. A NON-RESTRICTIVE PROCESS MODEL FOR ESTABLISHING A COOPERATIVE PARISH (LEVEL III).

- A. This outline of a process of establishing a Cooperative Parish (Level III) is intended as a guideline for those churches functioning in cooperative ministry activities (Level I) or as a cooperative ministry (Level II) and who desire to further develop themselves as a Cooperative Parish (Level III).
- B. The process of establishing a cooperative parish can be suggested or initiated at any level of church administration:
  1. The lay and clergy leadership of the local church or circuit;
  2. The District Superintendent; or
  3. Any district or Conference staff, committee, board, or agency.
- C. While others may initiate the process of establishing a cooperative parish, the process is carried out by the units involved on the local level, supported by the resources of the district and Conference.
- D. By its very nature, it is only possible to establish effective cooperative ministry parishes by mutual agreement of the laity on the parish. Effective cooperative parishes depend upon the willingness of local churches to enjoin themselves in cooperative ministries or parish structures.
- E. Congregations are urged to initiate dialogues with neighboring churches within the denomination or ecumenically about the possibility of establishing a cooperative parish where it does not exist.
- F. Where it is desirable to establish a cooperative parish, the churches of the potential cooperative parish shall contact their District Superintendent(s) for guidance and resources to complete the process of covenanting and structuring the cooperative parish.
- G. By mutual consent of the potential cooperative parish and the District Superintendent, the District Superintendent may designate an interim shepherd to guide the cooperative parish through a formation period.
- H. During the formation period of the cooperative parish, a proposed agreement or covenant shall be written describing:
  1. The purpose and functions of the cooperative parish;
  2. Lay and clergy leadership for the cooperative parish;
  3. The administrative structures of the cooperative parish; and
  4. The financial support for the cooperative parish.
- I. A potential cooperative parish may elect an interim cooperative parish council or other form of parish administration consisting of appropriate lay and clergy representation from each individual church on the proposed cooperative parish and adhering to the design of the type parish that is to be developed (see appendix, section IV, ¶206.3).
  1. At such time the cooperative parish is formally established, the interim cooperative parish council may become the standing cooperative parish council; or
  2. The interim parish council may be replaced by other administrative structures as provided for by the cooperative parish covenant or charter.
- J. When plans for the proposed cooperative parish are complete and a formal covenant has been drafted, a church conference shall be called by the District Superintendent.
  1. The church conference shall include the congregations of each church which shall be involved in the cooperative parish, including any churches from other denominations.
  2. All churches involved in the proposed cooperative parish must approve the covenant as presented or amended in order to formally charter the cooperative parish.

- K. Request shall be made by the cooperative parish to the Bishop and Cabinet for a cooperative parish director to be appointed to the parish, if this position has been included in the administrative structure of the cooperative parish.
- L. Clergy on the cooperative parish shall be appointed to their individual church or charge and appointed to the cooperative parish as well.
- M. The District Superintendent(s) shall be consulted regarding appointment needs on the cooperative parish and the pastors' relationship to their church or charge and the cooperative parish.
  - 1. There may be a cooperative parish Pastor-Parish Relations Committee established for this purpose.
  - 2. Each church or charge on the parish may also establish pastoral advisory committees as they desire (see the appendix, section IV, ¶270.2 [d]).

#### VI. RESOURCES FOR DEVELOPING COOPERATIVE MINISTRIES

- A. Each district shall form a district committee on cooperative ministries or name a district representative for cooperative ministries to its Council on Ministries for the purpose of:
  - 1. Advocating and encouraging the development of cooperation in ministry;
  - 2. Identifying cooperation in ministry wherever it occurs on the district; and
  - 3. Encouraging and resourcing the development of cooperative ministries or cooperative parishes wherever found feasible.
- B. The Conference Board of Global Ministries shall establish a representative position concerned with cooperation in ministry which will be related to church and community development, congregational transformation and redevelopment, the Conference Urban Committee, and the Conference Town and Country Committee. The cooperative ministry representative shall:
  - 1. Advocate and encourage the development of cooperation in ministry throughout the Conference;
  - 2. Identify cooperation in ministry wherever and however it occurs on the Conference;
  - 3. Encourage and resource the development of cooperative ministries or cooperative parishes wherever found feasible; and
  - 4. Receive information annually from formally organized cooperative ministries and cooperative parishes within the Conference and utilize this information to further promote and support the work of cooperative ministries and parishes.
- C. Workshops and training events shall be offered by the Board of Global Ministries and/or District Committees on Cooperative Ministries to inform, equip, and encourage persons in local congregations to develop cooperative ministries.
- D. The Conference Council Director shall designate a Conference connectional staff person to work in liaison with the Board of Global Ministries for the purpose of supporting cooperation in ministry.
- E. The Conference Council on Finance and Administration shall:
  - 1. Provide a budget line item of \$2,000 the first year to the Conference Board of Global Ministries to carry out the mandate of this policy; and
  - 2. Provide additional funding to enable the Conference Board of Global Ministries to print this policy and provide copies for study in every local church, and for Conference and district boards, committees and agencies whose work is governed by this policy.
- F. The Bishop and Cabinet shall:
  - 1. Lift up, affirm, and make visible the value of cooperation in ministry;
  - 2. Maintain a vital sensitivity to the effects of appointment changes in churches that are in cooperative relationships;
  - 3. Inform persons who are being appointed to churches or charges that are part of a cooperative relationship that the churches are in this relationship and that the expectations of the appointment include a continued active participation in the cooperative ministry or parish;
  - 4. Consult with the Cooperative Parish Director when appointing new clergy to the cooperative parish;
  - 5. Whenever possible include a lay representative from the cooperative parish board or a lay representative from the Pastor-Parish Relations Committee for the cooperative parish to meet with the church or charge Pastor-Parish Relations Committee in the introductory meeting of a newly appointed clergy person on the cooperative parish; and
  - 6. Make appointments to the individual churches on a cooperative parish bearing in mind the over-arching needs of the entire cooperative parish.

**LEGISLATIVE COMMITTEE #8****Item #35**

**SUBJECT:** Health Care -- Universal Access. Conference voted concurrence.

The West Michigan Annual Conference of the United Methodist Church endorses the publicly financed approach to health care reform as the approach that is most in keeping with the policy of the United Methodist Church and supports the principles of a National Health Care Program:

- serves everyone living in the United States;
- provides the whole population of the nation with comprehensive benefits, including: prevention services, and health promotion, primary and acute care, mental health care and extended care;
- draws financial support from the broadest possible resource base;
- guarantees access to care everywhere in the nation;
- sets prospective budgets for payments to health care institutions from federal funds in a way that assures services for all parts of a region;
- is sensitive to the needs of persons working in the various components of the health care system;
- provides quality service and payment processes based on principals of equity and efficiency;
- sets a national budget for health care education and wellness promotion;
- promotes effective and safe innovation and research in health care techniques, research on the delivery of health services and research on health practices of individuals and families;
- reduces the burden of malpractice litigation;
- significantly curbs the current rapid inflation in the cost of providing medical services;
- provides federal leadership in health promotion by assessing the health impacts on standard of living issues, housing, nutrition, physical fitness, environmental safety and sanitation;
- reduces unnecessary medical care.

We call on boards and agencies, organizations, health and welfare institutions associated with the United Methodist Connectional system; circles of our denomination including general, district and local churches and members of the United Methodist Church, to join in advocacy activities to advance this type of legislation. We ask that the above advocacy activities be accomplished in cooperation with the Interreligious Health Care Access Campaign when it is compatible and feasible.

We call on individual members of the United Methodist Church to improve the stewardship of their bodies by engaging in practices and habits that improve their health as a way of giving thanks for the gift of life and modelling individual responsibility for improving the health of our populations and community.

We call on each local church to discuss this petition at administrative boards or councils and education classes and hopefully send letters of support with copies of this resolution to our senators and representatives.

We call on the West Michigan Board of Church and Society to send copies of this resolution to the President, Congress and Health Care Task Force leaders.

This intervention may include engaging whatever legal or professional counsel is needed. Such intervention may include opposing such landmarking designation in any or all state or federal courts, if necessary and appropriate. The Annual Conference Board of Trustees may, at its discretion, undertake such intervention through financial assistance to the affected Board of Trustees.

The Annual Conference Board of Trustees shall provide for \$100,000 under its supervision to be used to help defray the costs of opposing governmental efforts at involuntary landmarking of church-owned property. 1. Comply with the provisions of paragraphs 2516, 2518.2, 2540, 2541, 2542, and/or 2544 (as appropriate) of *The Book of Discipline*, just as if such landmarking were a sale of the property.

## Item #59

**SUBJECT: Living Allowance Committee Report as Requested by the 1992 Annual Conference** Conference voted concurrence.

That the West Michigan Annual Conference adopt the following policy.

The historic parsonage system is the basic housing policy of the West Michigan Conference. In recognition of changing circumstances which may indicate that the basic policy of a church-provided parsonage may not be desirable in every and all situations, the West Michigan Conference and the 1992 DISCIPLINE ¶ 270.2.f(4) [page 172], recognize that exceptions thereto may be made. Where an exception to this basic policy is acceptable, these guidelines shall be followed:

- A. The District Superintendent shall be involved in the negotiations at the outset, along with the pastor and the chairperson of the Committee on Pastor-Parish Relations and chairperson of the Board of Trustees. The purpose of these negotiations is to develop a clear understanding by all parties as to the arrangements mutually accepted.
  - B. All such agreements shall have the written approval of the Charge Conference, and be signed by the District Superintendent, the Chair or Secretary of the Charge Conference and the Pastor.
  - C. The written record of the agreements (signed by the parties mentioned in "B" above) shall be maintained in the files of the District Superintendent, the Pastor and the Charge Conference.
  - D. The written record of the agreements shall stipulate clearly:
    - 1) The amount to be allowed per month. This shall be sufficient to provide housing at the level of the Conference housing guidelines.
    - 2) Any provisions relating to down-payment thereof if provided by the charge.
  - E. It is recommended that either the actual cost or fair market value be used as a guideline between church and clergy. The justice and ethics issue of "how much for a housing allowance" in any given locale must be a matter of conscience with each clergy and local church.
  - F. No assets from the sale of a church-owned parsonage shall be used for current operating expenses of the charge. Proceeds from the sale of a church-owned parsonage shall be placed in escrow by the trustees of the local church in consideration of the possible need to purchase another parsonage at a later date. It is recommended that the principal account on the escrow be adjusted for inflation annually to provide equity with the real estate market. Interest received may be used toward the provision of a housing allowance. If a parsonage is not sold but is held for rental purposes,\* income therefrom may be applied toward a housing allowance for the pastor.
- \* Said rental parsonages shall be maintained at Conference standards by the local Board of Trustees against possible future use by the local church.*
- G. The charge shall agree to provide a parsonage if necessary to meet the housing needs of a subsequent pastoral appointment.
  - H. The pastor involved shall agree, in writing, that the arrangement for a housing allowance in lieu of a church-owned parsonage shall not hinder his/her participation in the itinerary for future appointments.
  - I. The charge shall agree, in writing, that the arrangement for a housing allowance in lieu of a church-owned parsonage shall not hinder acceptance of a subsequent pastoral appointment where a parsonage is requested.
  - J. The incoming pastor shall have no obligation to purchase the home of his/her predecessor.
  - K. The housing allowance may be used for purchase, rent or lease as desired by the pastor.

## 2. Retired

**James George Crosby.** James George Crosby, affectionately known as "Bing", 75, died June 1, 1992 at Beaumont Hospital, Royal Oak, MI., after an accidental fall one month earlier. He was a resident of Royal Oak and attended Birmingham First United Methodist Church.

He was born October 26, 1916 in Warren County, Pennsylvania to Ethel (Wood) and Carl G. Crosby. His mother died when he was three. At the age of five Claudia Kolstee became his stepmother and because of the great influence she had on his life, guiding him into the local

United Brethren Church and Sunday School, he always spoke highly of his stepmother, especially on Mother's Day. He was baptized and joined the church at age ten.

That Little Bear Lake, PA. church put great faith in him, making him Sunday School superintendent when he was fifteen. At seventeen the youth elected him president, and at nineteen he was sent as a delegate to Annual Conference. His father encouraged him in two

things: education and hard work. He graduated from high school just before he was sixteen. When he was seventeen he became keenly aware that God was calling him into the Christian ministry. Because of the depression years he had to earn money for college. In 1936 he entered Otterbein College in Westerville, Ohio, graduating in 1940. In the fall he entered Bonebrake (now United) Theological Seminary in Dayton, Ohio, graduating in 1943. His thesis was in a comparatively new field, "Pre-Marital Counseling".

On November 25, 1942 he married Wanda R. Cain of Dayton in her home church, Otterbein United Brethren. Bing's death occurred just five months short of their golden wedding anniversary date.

After graduation he accepted an invitation to Michigan Conference (U.B.) to pastor a mission church at Evergreen and Eight Mile Road, Southfield, which he helped organize into the Evergreen U.B. Church. His next assignments were to the East and West Casco, South Haven (U.B.) Churches in 1947; Sebawaing (EUB) Church in 1955; Jackson Greenwood Park (EUB) in 1962; which united with Francis St. (EUB) and Greenwood Avenue (Methodist) to become Trinity United Methodist while he was there; Nashville (U.M.) in 1969; and Cassopolis (U.M.) in 1975, from there he retired in 1983. After his retirement he served as an Associate at Ferndale First U.M. church and spoke extensively for Michigan Council on Alcohol Problems (MICAP).

He always felt an obligation to the church's connexional system and had served several years as Statistician, on the Board of Study and Ministerial Training, the Board of Missions, Commission on Evangelism, Board of Church and Society and on MICAP from 1969 to his death.

He stated at one time that even though he was proud of his church, whether U.B., E.U.B. or United Methodist, and was convinced that "we have the best form of church government and one of the clearest presentations of the Gospel which must be lived out in person's lives, I have operated from a deep conviction that the Kingdom of God is bigger than any denomination; therefore, I have always worked for a united witness of the churches in any community I served." He always worked in Ministerial Associations in each community, and took his turn as volunteer hospital chaplain. He served as chaplain in the Jackson, South Haven and Cassopolis Fire Departments. He was a member of the Cass County Drug Abuse Program, and on the state level was a member of the Task Force to study approaches to the "Intervention in Drug and Alcohol Abuse". He was on the committee which initiated the South Oakland Shelter (SOS). He was active in other inter-church activities and was at one time president of Rotary and a member of the Lion's Club.

He is survived by his wife, Wanda; daughter Claudia; son Jim and wife Kathy, and their sons, Matt and Scott; and another son Tim and his wife Sheryl with children, Brian, Kevin and Christine. Another daughter, Gloria, was killed in an automobile accident in 1971.

His life was celebrated in a memorial service at Birmingham First United Methodist Church, Birmingham, MI. with Dr. Robert Ward, Sr. pastor, and Drs Stanley Forkner and Lloyd Houser, friends since college, officiating. Andy Cook, nephew who knew "Bing" as "Church Pa", sang "How Great Thou Art", and a letter from Rev. George Fleming of the Charlotte U.M. Church was read telling of "Bing's" influence in his life.

**J. Marion DeVinney.** J. Marion DeVinney, was born in the Methodist parsonage at Parkville, MI. on July 20, 1902.

He died at age ninety at Clark Retirement Community where he had lived for nine years with his wife Zora who survives. They had been married sixty-six years, since their wedding on August 18, 1926 in Big Rapids. He was buried in Hersey, Michigan cemetery following memorial services at Clark Home Chapel on December 19, 1993. Other survivors are a daughter Kathryn, married to David Crawford, and sons Robert, married to Donna of Midland, and Richard, married to

Marion of Grand Rapids. All have followed their parents training and are active leaders in Conference and local church ministries. A sister and brother also live at Clark - Lucille Delehanty and Donald, and a brother Leland live in Philadelphia, PA.

While Active in Conference ministries, Marion's talents shone most brightly in the pastoral ministry. He cared for people; he cared for his flock, ignoring personal rest, safety and time-off to serve them in myriad ways. Appointments served were in Caledonia, Rockford, Lake City, Mancelona, Boyne City, Galesburg-Comstock, Jackson First Associate, Lowell, and Detroit Boulevard Temple. After retirement in 1969 he returned to serve part-time as Associate at Rockford in 1971, retiring again in 1978. Curiously, his father, J. Clyde DeVinney, had also served at Rockford and both his father and son-in-law, David Crawford

had served at Comstock. Other high-lights of local ministry involved service amidst the riots of the sixties in Detroit with barbed wire, tanks, guns and fires by his church, he served as the first Chaplain at Boulevard Temple Retirement Home, making daily calls in hospitals, thousands of funerals and weddings, inveterate calling in the homes of his people, and successful racial integration of the local church. He and Zora were a team, calling in homes together and she active in educational and women's work.

Quiet and not very talkative by nature, he had a quick wit and an avid pen. He wrote columns for weekly newspapers and to service men, (even though he was a pacifist), edited the Lake Louise Camp *Breeze*, founded and edited *Parish Tidings* newsletters in several local churches and wrote often on issues in the church and society.

Ordained for 65 years, Rev. DeVinney enjoyed the detailed work involved in twenty years as Conference Secretary and Assistant, in addition to service as Assistant Statistician. He helped on numerous boards, committees and camp staffs. Community activities were important involving social issues, Shriner status in the Masonic Order, offices in service clubs such as Rotary Club President in Lowell. A great love, especially in retirement, was vegetable and flower gardening. He and Zora won prizes for their roses and dahlias at garden shows.

Rev. DeVinney graduated from Big Rapids High School, Albion College, Garrett-Evangelical Seminary and Northwestern University with double graduate degrees.

**Lester Clough.** Lester Clough joined his Savior on March 6, 1993, one month before his 85th birthday. He had resided with his younger daughter, Lois, in Chandler, AZ since October, 1990. Rev. Congregations served were Summit, Paris-Stanwood, Carson City, Hartford-Peeler, Evart, Belding, Sparta, Kalamazoo East Main, Watervleit and Allegan. Expansion of facilities and/or increased congregational participation were an outgrowth of his efforts in almost every church.

Lester and Lillie retired to their own home in Holland, MI from 1973-1977; moved to their own home in Mesa, AZ. from 1977-1986; enjoyed a retirement community apartment in Mesa from 1986-1990 and purchased a double-wide mobile home with Lois in 1990. Both Lester and Lillie were able to live at that mobile home until their respective home-goings.

A memorial service was held at the Dobson Ranch Nazarene Church of Chandler on March 9, 1993 with the Rev. Mark Fuller, senior pastor officiating. The service in Glendale, AZ on March 10, 1993, was officiated by Rev. Clough's grandson, the Rev. Andrew Ohman of Oregon.

He was hospitalized on Friday, April 2, for pneumonia and suffered apparent heart failure on Monday, April 4, 1993. Death was caused by complications resulting from those ailments. Rev. Noordhof was born the son of John and Elizabeth Schutter Noordhof on February 22, 1921, in Muskegon, Michigan. He attended Muskegon High School, Muskegon Business College, Muskegon Community College and graduated from

Northwestern's School of Ministry.

Rev. Noordhof had several charges for the United Methodist Church during his years of service from 1965 to 1985. His first was Snow and Vergennes, located north of Grand Rapids. These were considered part-time and Ira maintained his full-time job working for Continental Motors.

Rev. Noordhof was appointed to the Holton-Twin Lake and Sitka United Methodist Churches in 1967. In 1974, he lost his former wife, June L. Simmons Noordhof and retired from Continental with more than thirty years of service. He remarried in 1975 to the former Barbara Cochran Kurtz. Barb and Ira moved from Holton in 1975 to the Howard City and Coral charge where they ministered until 1981. The last charge was his only "single charge church", Mendon United Methodist Church. Rev. Noordhof retired in 1985 on a disability. He was nicknamed "Pastor Ike" because of his style of reaching out to the whole community as well as to those who attended his church. Pastor Ike would often be seen in the coffee shops of the towns he supported or in their community meetings. He was a member of Kiwanis, Rotary, Lions Club, VFW Post #7729, Howard City Masonic Temple #329, and the Commission on Aging, and was a strong advocate pertaining to barrier free facilities for the handicapped within the Methodist churches. **Lois Fern Likes DeMoss.** Lois Fern Likes DeMoss, born in Oklahoma, gave much to her adopted state though she tolerated Michigan's winters with the same impatience as over-long sermons.

Lois was creative. When teaching 5th grade, one pupil was doing poorly. She discovered that he had a passion for airplanes. She said, "we threw the curriculum away. He read about airplanes. He calculated about airplanes. He studied flyers' biographies. He ended the year with a hunger to learn."

Lois was feisty. In a card game she loved nothing better than slapping down a game-winning card with a triumphant, "There, by darn!"

Lois was adventurous. She went to Algeria in 1954 as a missionary where she learned French from scratch, becoming fluent. She ably directed a girl's home and later a boy's home.

Lois was a hard worker. She put herself through college, taught school, was a missionary, a Wesley Foundation director, and a church secretary. She gardened, repaired toys, undertook huge stained glass projects, made candles, polished rocks, collected stamps, painted, read voraciously. She was co-owner and president of Blodgett Press that provides devotional materials for the ill and grieving. She served on countless boards, commissions, committees, on all levels.

Lois was loving. She was tuned to the needs of others. She was especially tender with children and those in distress. She was sparing in judging others, lavish with hospitality and kind in her forthright speech. Family - nuclear and extended - was showered with thoughtful attention. Her laughter was a healing medicine.

Lois was faithful. Her faith was as tough as Oklahoma rawhide, fresh as a spring breeze, lively as a rodeo, as genuine as gold bouillon. She sought concord and worked for justice. She was a lay theologian and Bible student.

She was very active in the Marion United Methodist Church in the choir, Sunday School, and Vacation Bible School. She married Donald R. Fry on June 20, 1992.

Bev has been one who took the time to listen and look for the possibility of good in people. She didn't deny weaknesses, she chose to affirm strengths. If she did focus on a weakness, it was for the purpose of helping someone grow and find a better way to live. There are so many people she has helped: youth who found a second home in hers, youth who were in sports because she helped when funds were low, people who needed money to get through rough spots, friends who needed a listening ear, friends who needed someone to shop with, travel with, eat with, laugh with. The way Bev lived her life was a witness to God's grace.

**Janyce Swearingen Lyman.** Janyce Swearingen Lyman, born in 1922, was wife of Dr. Howard A. Lyman, passed away on December 18, 1993, after a six month illness involving a malignant brain tumor. Her positive attitude and strong faith in God became a beautiful testimony of the relevance of the Christian faith. Across the years of ministry in Glen Cove, L.I., NY; Augusta, Marshall, Albion-Lansing District Superintendency; Benton Harbor Peace Temple; Lansing Central; and Battle Creek First, she became well known for her ability to relate to families. She possessed a caring concern for the needs, accomplishments, and development of everyone in every family. She taught Sunday school classes, engaged in Bible studies, was a Retreat Leader, participated in the Women's Society for Christian Service, and became deeply involved in the Literacy program of every community.

Janyce was born in Benton Harbor, MI, on April 5, 1922, along with a twin sister, Joyce. Her father was the Rev. Noble J. Swearingen, pastor of the Evangelical Church in Benton Harbor. His premature death, when the twins were three years old, necessitated a move to their mother's family home in the West Mendon community. Janyce graduated from the Mendon High School, and attended Taylor University where she met the man who was to be her life long companion and husband.

Bishop Ott said, "I would witness to you of her faith and that which sustains us moment by moment. We would affirm that we in Christ are dying into the life at every moment."

Dr. Ritter spoke of her as first lady at Nardin Park UMC, "who combined so many traits and talents in that congregation. She expressed hospitality both in the sense of Mary and Martha." He described her as spending Saturday nights preparing for the Sunday school class she taught and ironing Marshall's shirt.

Mary's father was a country doctor in Iowa, Ward said. Mary carried a love of learning all her life, and well into her nineties ordered library books and participated in discussion groups at Chelsea.

With the rigors of moving in the old days, Ward said, the couples moved from Gaines to Onaway. "Mary said she knew she had married a minister, but she didn't know he was a foreign missionary."

"The Reeds served with much grace and generosity and great ability," Ward said. "They could not have been more accessible." He recalls reading in the *Michigan Christian Advocate* that the bishop had travelled to some remote rural parish to dedicate a water cooler.

"Mrs. Reed was the counselor, friend, mentor and model for many", Ward said, "and was especially gracious to children at the end of her life she responded well to them."

Mrs. Reed was born July 25, 1894, in West Burlington Iowa, to Dr. E. E. and Elizabeth (Peacock) Kirkendall. She attended Grinnell College and Northwestern University, where she met Marshall Reed. They were married May 14, 1917. Together they came to

Michigan in 1917 and served Methodist churches in Gaines, Onaway, Redford, East Jefferson, Ypsilanti, and Nardin Park. In 1948, when Rev. Reed was elected Bishop of the Methodist Church, she was his chauffeur, enabling him to preach three or four services a day all over the state. **Terry Lukins.** Terry Lukins, was not simply a minister's spouse, Terry Lukins was a minister. His pulpit was his tool bag; his altar the work station of any customer in need. At his service of remembrance, Ken McCaw recalled the words of St. Francis: "Preach the gospel at all times. If necessary, use words." Ken went on to affirm that, "Terry Lukins preached the gospel at all times by how he lived."

Above all else, Terry was a Minister with a Motto, "Others First". That became his basic orientation to the world as a youth preparing to become an Eagle Scout. The focused strength, the alertness to need, and the readiness to self-sacrifice--all marks of the Eagle--followed him into his adult years. Dependable, dedicated, Terry was a person who could be counted on.

This early training made him a Prophet of problem-solving for the IBM Corporation. Terry's twenty years of trouble shooting and dedication to his work were rewarded in 1991 with the "IBM Means Service Award", the highest honor bestowed upon field engineers. From the smallest microchip to the largest system on line, Terry could discern the solution to making it run effectively. "The trick," he would often say, "is to not mistake the symptoms for the real problem."

Not only did that advice hold true for the realm of computers, but it was to stand as wise counsel when family and friends also were up against knotty situations. Terry's ability to focus and fix was in demand by those with broken spirits as well as those with broken machines. Ask those customers who sometimes received a loaf of homemade bread from their computer repairman along with the skilled service that brought their equipment back to work. Ask Kay, whose call to Christian servanthood was sharpened by and supported through Terry's steadfast love.

Finally, at leisure Terry was a Minister of the Outdoors. An avid watcher of birds, from Hawks to Doves, he and Kay enjoyed their lake-side home set among the treetops of Southwest Michigan. He particularly enjoyed that period of life spent as a "necktie farmer" --

wearing three piece suits for IBM by day and donning overalls to feed the pigs, steers and chickens at eventide.

Terry and Kay found special joy in canoeing the state's waters, including their own Mirror Lake. A favorite hymn says, "O Lord, with your eyes you have searched me, and while smiling have spoken my name; now my boat's left on the shoreline behind me; by your side, I will seek other seas" (#344 UM Hymnal). All those who loved him, wish Terry the fairest sailing.

Terry Lukins was born in Kalamazoo, MI. on October 29, 1949. He graduated from Battle Creek Lakeview High School and then earned an Associate degree from Kellogg Community College. He married Kay Starbuck on May 25, 1974 at her home in Vicksburg, MI. Terry's home church was Battle Creek First UMC but, along with Kay, he was a member of Vicksburg, Portage, Kalamazoo First, Jackson, First and Calvary UMCs. Terry died on February 1, 1993 of a heart attack. Funeral service was at Kalamazoo: First United Methodist Church. Burial was at Mt. Ever Rest Cemetery in Kalamazoo.

## I. INTRODUCTION

### Section A - The West Michigan Conference PURPOSE STATEMENT:

The West Michigan Annual Conference is a link in the connectional chain of United Methodism joining together the General Conference, the Jurisdictional Conference, the Districts and the local congregations in reaching out in ministry to the world. Our collective purpose as an Annual Conference is to:

1. Demonstrate our faith as disciples of Jesus Christ guided and empowered by the Holy Spirit, and proclaim the Gospel of Jesus Christ to all persons with the hope they, too, will become disciples;
2. Provide opportunities for biblical learning, spiritual growth, leadership development and worship in order to nurture, equip and support persons for Christian life and ministry;
3. Establish and sustain congregations who endeavor to serve Jesus Christ in society, practicing and teaching thoughtful stewardship of human, natural and financial resources;
4. Inspire, recruit, develop and support laity who will lead, assist and enable congregations and individuals in the ministry of Jesus Christ within the West Michigan Conference and the whole church; and
5. Inspire, recruit, develop, support and appoint pastors and Diaconal Ministers who will lead, assist and enable congregations and individuals in the ministry of Jesus Christ within the West Michigan Conference and the whole church.

### Section B - Organizational Principles:

The organizational structure outlined herein has these principles:

1. To create organizational units at District and Conference levels which are compact and focused to best enable and equip the work of the local congregations; and
2. To keep the basic membership of organizational units small yet adequate to provide developing programs, thereby permitting more persons to be doing ministries planned than planning the ministries; and
3. To encourage all organizational units to accomplish their work by creating task forces of their own choosing as needed to do their work, using persons interested in doing a particular task for a designated time, not to exceed two years and then dissolving that task force group. In creating a task force the organizational unit shall inform CONALD of such action indicating the names of those on the task force and the date of its creation; and
4. To allow District Conferences and District Nominating Committees to design their own District Council on Ministries structures as they choose to do the ministries that will happen on the several Districts.
5. To recommend that the Committee on Nominations and Leadership Development seek to achieve in all its nominations, the goal of 1/3 laymen, 1/3 laywomen, and 1/3 clergy with racial/ethnic representation in each organizational unit.
6. To emphasize the importance of nominating persons who expect to serve on a unit for at least four years. Although elections are annual, continuity of leadership is important, especially in smaller units.
7. To ensure the representation of youth on all organizational units of the church and to affirm youth as vital members of the church of today.

Membership on a task force may come from anywhere, i.e., is not restricted to membership on the parent group. In the formation of the task force, attention should be given to inclusiveness (laity, clergy, gender, race and age.)
13. "Ex-officio" - members on an organizational unit because of office or position with voice and vote unless otherwise stated.

#### Section D - General Provisions:

1. Membership eligibility. Only members of the United Methodist Church shall be eligible for membership on an organizational unit--task forces excepted--unless permitted otherwise by the DISCIPLINE, Conference, or this Plan of Organization.
2. Conflict of interest. No person receiving compensation from a Conference unit shall be eligible to be an officer on an organizational unit from which he/she would receive compensation, unless required by the DISCIPLINE, this Plan of Organization, or the expressed intention of this Conference. Care shall be given to avoid, as much as possible, appearance of conflict of interest of persons serving on organizational units who at the same time work with congregations or other bodies who receive funding from the Conference. No member of an organizational unit shall vote on any matters pertaining to Conference or District funding for any congregation or agency by which he/she is employed.
3. District Superintendency. The District Superintendents shall not be eligible for membership on any organizational unit of the Conference except as required by the DISCIPLINE or the expressed intention of this Conference. Superintendents shall (A) serve as voting members of the Conference Council on Ministries; (B) serve as voting members of the respective District Councils on Ministries and the several District Committees, etc. that exist. (C) One District Superintendent shall be named by the Bishop to serve as a member without vote on (1) The Board of Diaconal Ministry, (2) the Board of Ordained Ministry, (3) The Council on Finance and Administration, and with vote on (4) the Commission on Equitable Salaries, (5) The Leadership Council, (6) and the Personnel Committee. For communication purposes District Superintendents may receive mailings and maintain contact with chairpersons of other organizational units but they shall not be expected to attend meetings of those units. Any person serving on a conference organizational unit who is appointed

to the Cabinet shall end such service at the Annual Conference when the appointment commences, or at least by the next Annual Conference if it is a mid-year appointment. Nothing in these provisions shall be interpreted as preventing a District Superintendent from serving on any Jurisdictional or General Church agency, nor a Board of Trustees (or other governing body) of any group whose essential membership is not selected by this Conference.

4. **Tenure.** No person elected by the Annual Conference shall serve for more than eight (8) consecutive years from the date of his/her election or any organizational unit, or predecessor unit, except the Michigan Christian Advocate, and members of similar organizational units listed in this Plan of Organization who shall be exempt from this tenure rule so that they may serve not more than nine (9) consecutive years. Following any service of eight (8) or nine (9) such years, there shall be a period of at least two (2) years before re-election to the same unit is possible. Where practical, elections shall conform to the quadrennium. Persons elected shall serve until their successors are elected or appointed, even if this extends for a brief period the limit of their eight (8) or nine (9) year tenure.
5. **Membership Restriction.** A person shall not serve simultaneously as a member of more than one board. No person shall be elected to serve on an organizational unit in more than one capacity. However, for a limited time, persons who offer a specific missional value may serve in an advisory capacity without vote on an organizational unit to which they have not been elected. If a person serving on a Conference unit is elected to serve on a Jurisdictional or General Conference agency that is different than the one they presently serve in the Conference, that person shall relinquish membership on the former Annual Conference unit and shall become a member of the Annual Conference unit that corresponds to the one served on a general church level.
6. **Vacancies.** In the event of a membership vacancy on any organizational unit, the chairperson of such unit shall be entitled to select a person to fill that vacancy for no longer than the current Conference year. Consultation with the Conference Committee on Nominations and Leadership Development chairperson will occur as this is done, and consideration of other general provisions will be kept in mind. The appropriate nominating body will then in due process act to fill the position that was vacated. Any person selected to fill a vacancy shall be eligible for nomination and election at the ensuing Annual Conference subject to the tenure rules.
7. **Chairpersons and Membership.** Elections of Chairpersons and selection of members of Conference organizational units. Chairpersons and members of organizational units named herein, shall be nominated by the Conference Committee on Nominations and Leadership Development and elected by the Annual Conference.

(Exceptions to this process are:

- 1). Members of Board of Ordained Ministry, Clergy Committee on Investigation, Board of Diaconal Ministry, Diaconal Committee on Investigation, Joint Committee on Review, and the Committee on Nominations and Leadership Development who are nominated by the Bishop/Cabinet and
- 2). Chairpersons of Conference Council on Ministries, Council on Finance and Administration, Board of Trustees, Board of Pensions, Board of Diaconal Ministry, Board of Ordained Ministry, and the Area Committee on Episcopacy.

The following process shall be used:

- A. Organizational units under this process shall be all Area and Conference boards, Commissions, Committees, the Conference Council on Ministries, the Council on Finance and Administration, Conference Trustees (see above exception), and the Leadership Council.
- B. Organizational units may suggest to the Conference Committee on Nominations and Leadership Development persons to be considered for nomination as members and chairperson on said unit.
- C. Not later than March 15 in any year when a new Chairperson is to be selected (or immediately in the event of a vacancy), a unit may advise the Conference Committee on Nominations and Leadership Development of one or more persons it would place in nomination for such office;
- D. The respective organizational units shall nominate and elect, following the Annual Conference election of their chairperson, such other officers as they deem helpful for doing their business. Such elections will occur at any regular

or called meeting for such purpose keeping in mind that presently elected officers continue until their successors are duly elected.

- E. While election of chairpersons and other officers may happen at any time, there is a historic process that such elections shall normally occur at the Annual Conference of the year when General Conference convenes. Potentially this provides new leaders the training which normally occurs following Jurisdictional Conferences.
- F. Each organizational unit will be intentional in seeking a balance of 1/3 laymen, 1/3 laywomen, and 1/3 clergy and to be representative of age and racial/ethnic persons. The Conference Committee on Nominations and Leadership Development has the task of seeking these balances.
8. **Executive Committees.** Unless otherwise prohibited by the DISCIPLINE, the Annual Conference, or this Plan or Organization, a duly elected executive committee of any organizational unit is authorized to act between meetings on behalf of such unit to implement or effectuate policies and/or actions of the organizational unit.

#### **Section E - Changes in the Plan of Organization**

This Plan or Organization may be amended or changed:

1. By submission of a Petition to the Conference as provided for in the Rules of Order, or a Response Petition according to the same aforementioned process;
2. Petitions for a change in this Plan or Organization shall be referred, first, to the Leadership Council for its comment and recommendation in writing; and, second, to a Legislative Committee at the seat of the Annual Conference for its action as it is reported to the Conference.

## XVIII. PASTORAL RECORD Of All Pastors

This Pastoral Record indicates appointments but is not necessarily a pension record. The date given following each appointment represents the initial year of that appointment, with changes occurring immediately following Annual Conference unless otherwise noted. Brackets around appointments indicate charges served prior to reception into the West Michigan Conference. The first address given is the home address. The mailing address is indicated thus (†) when it is other than the home address.

This record is compiled by the Pastoral Record Secretary, Gail Friedrich, 114 Pepperidge Lane, Battle Creek 49015, (616) 965-5605. Correspondence should be directed to her or to the Conference Secretary, the Rev. Mr. John H. Hice, 1200 Ramsdell Rd., Traverse City 49684.
